PARKING LINES
Last Saturday our parking lines received an overdue paint job along with our bat tennis, four square and senior basketball court. The staff car park off Liverpool road also had brand new parking lines installed - all we need is for our staff to park within the lines! LOL.

FOOTY THEME DAY
We are all looking forward to our annual Football Theme Day next Friday where students, staff and parents are encouraged to wear their team’s colours. I look forward to seeing plenty of brown and gold in the mix. The PFA are organising a special footy lunch for our hungry footballers. A notice regarding Friday’s planned activities including the Grade footy games are included in this week’s newsletter. Parents are most welcome to attend these games - they are great fun! A definite highlight is watching Mr Goldie’s umpiring decisions that ensure all children end up with a kick.

READING TO CHILDREN
I think every parent knows the value of reading books to young children. However, I was interested in a recent Age article: Reading together still important after children start school. Expert, Professor Bridie Raban, at the University of Melbourne’s Graduate School of Education makes the point that many parents stop reading to their children after they reach school age, and this is a lost opportunity to continue to develop their literacy skills.

"Research identifies a clear link between the development of good literacy and numeracy skills at an early age and higher levels of educational achievement, employability, higher earnings and social participation later in life,” she said. Despite the bells and whistles of digital books, 86 per cent of Australian children preferred a traditional book. The article provided the following tips for parents:

1. Make reading part of the daily routine. Make a bedtime story something to look forward to.
2. Read regularly yourself.
3. Join a local library.
4. Read books on different topics and find themes that interest your kids.
5. Play word and word association games.
6. Talk with your child: it builds communication skills, vocabulary and increases confidence.

The online article can be found at:

LAST DAY OF TERM
The last day of Term 3 is fast approaching and I would like to remind parents that students will be dismissed at 2:30pm on Friday 20th September. There will be no assembly on this Friday due to the tight scheduling of footy games.

Nobody is Perfect

Have you ever done a personality profile survey; one that works out your strengths and weaknesses? I last did one a number of years ago. These types of profiles outline particular strengths, work areas and it gives a number which you look up to get a one word summary. My word was ‘Perfectionist’! Yes, that means generally I like to cross my t’s and dot my i’s.

As you are aware our school is implementing the ‘Bounceback’ program. This week the focus is Nobody is perfect – not you and not others. Though I have a perfectionist streak within me, my family will tell you, I am far from perfect. With such a great school community as ours, with a variety of personality traits and differences in so many ways, there is one common feature, none of us is perfect!

A family community always strives to do their very best but also shows grace to one another when people fail or let us down.

Program Update

School Holiday Programs
OSHClub run school holiday programs at locations in the area including at Heathmont, (Great Ryrie), Wantirna, (Knox Gardens) and Croydon. Co to our Website www.oshclub.com.au to check locations and the exciting programs on offer. You can also enrol and book into the programs on line. The Heathmont program is offering excursions to rollerskating and mini golf and Aussie Rules and Karate workshops. Themes include Spring, Mini Magicians, Disco Dancing, Crazy Hair Day, Footy Fever, Mad Science and Disney Day.

Last Day of Term
For children from The Basin Primary School who are finishing at 2.30pm on Friday 20th September, OSHClub will commence After School Care at 2.30pm.
The Children from St Bernadette’s will be picked up at the normal time of 3.15pm. The Program will close as normal at 6.15pm.

New Sports Equipment
We have just purchased some new sports equipment. This has included basketballs, softer balls, balls to be used in the Gym for a wide variety of games and tennis balls. With the warmer weather and longer daylight hours the children are making full use of this equipment outside.

Hats and Sunscreen
It is spring and the weather is getting warmer and it is time to put on hats and sunscreen when we are outside in the afternoons. Children need to have a Sunsmart hat to wear. It does not have to be a school hat as long as it is sun smart. We provide Coles Brand sunscreen but please provide your own if your child is unable to use this brand or you prefer them to have their own.

Cancellations
If your child is booked in to attend after school but will not be attending please remember to ring the program and cancel their booking. This is really important as any child who is on our list and does not come means that staff needs to spend time locating that child. If possible try to ring After School Care cancellations in by 9.00am so that we know how many staff we will need for the afternoon.

Phone contact.
Phone calls will be answered during program hours which are 7.00-9.00am and 2.45-6.15pm. At all other times the phone is turned off as the staff are not at the program. Please leave a message or send a text message and when the staff arrive back at the program at 2.45pm we can contact you. If the matter is urgent then contact OSHClub Head Office.

This Week’s Happenings
This week the children have been able to use all our new sports equipment. We have been able to play an larger variety of games or just have fun using the balls. Our theme this week has been toys. We had some very imaginative robots made by covering boxes with foil. We have designed our own board games and played them, invented some new active games and made toys from wood, felt or boxes. Tuesday afternoon the budding artist make play dough and constructed some wonderful creations. Lego construction has also been popular this week.

Next Week at OSHClub
Friday we will be having a special afternoon tea to celebrate the last day of term.
Other activities next week will be based on the theme of wild animals, We will make a zoo, a jungle and a mural for the program wall all featuring, lions, tigers, elephants, deer, zebra, giraffes etc. We will make animal puppets and Wednesday will be our normal Cookery Club.

Trivia: Showbags: The showbag is a themed bag of commercial merchandise, and a distinctive feature of Australian shows (the local equivalent of fairs or carnivals). The bag is usually made from plastic or heavy paper, and is printed with graphics promoting a theme or manufacturer. Most showbags are marketed to children, containing toys, sweets and chocolate. Comic books were frequently included in showbags in the 1970s and 1980s, but the practice has declined since. (Wikipedia 2013)
