Our Second fair was a success with great weather, fantastic stalls, and lots of people.

**Special Thanks to** – Mountain Highway Transport for the main stage.

Here’s what some of our facebook friends said;

*My kids were very happy today with our awesome time at your school*

*My kids will talk about this day for months*

*What an awesome school*

*What a wonderful school community we have. I'm so proud to be a Basin mum. Thank you to all who organised today.*

‘Thank You’ doesn’t seem quite enough to show appreciation to all that helped make our fair the amazing success it was today. From the committee and coordinators, sponsors and donors, parent and teacher helpers and perhaps most importantly the fabulous kids that we do this for, you all contributed and made this day possible. No matter how much money was raised, today was a huge success with smiles, comradery, positive words and teamwork seen throughout the day. I am so proud of what we all achieved.

Make sure you’re at assembly this Friday to hear how much money we raised.

**Next Meeting**: Debrief - Monday 9th November 2:40pm Staff Room
