**PRINCIPAL’S NEWS**

**GREAT NEWS**

This morning we received wonderful news that Brittany Davidson gave birth to Torah Lee Davidson at 11:58pm last night - 10th May. Torah is 52cm long and weighs 7.35 pounds and her parents report - 'she is perfect in every way and we could not love her anymore!'

**NAPLAN**

Congratulations to our wonderful Grade 3 & 5 students who have completed the NAPLAN assessment tasks this week and to their teachers who have done such a great job supporting their students. The children’s results will be reported to parents on an individual basis later in the year. The school will also receive several data sets that will help with future planning and curriculum decisions.

**ATHLETICS TEAM**

Our amazing athletic team of 67 students from Grades 3 to 6 competed last Thursday and are the 2016 District Champions - an amazing feat. This means we have been District Athletic Champions 12 out of the last 13 years - quite outstanding and a wonderful achievement for the children who have been members of these teams over time. Dale Goldsmith deserves a very special mention as he dedicates an incredible amount of time selecting the team as well as providing our students with many opportunities to achieve their PB’s. A big thankyou to all the parents and staff who supported our team during the day.

**EDUCATION WEEK - 16th to 20th MAY**

Education Week is an annual opportunity for schools to showcase their programs. Our theme for Education week is HAPPY HEALTHY ME and includes many fun events for our students.
VOLUNTEERS IN SCHOOLS
This week is the National Volunteer Week and on behalf of the children and staff I would like to extend a big thank you to the wonderful support we receive from our many parent volunteers. We have a dedicated team of parents who regularly give their time to support the children and staff in so many programs. Your support is crucial as we seek to provide the best opportunities for the children at The Basin PS - we couldn't do that without you! THANKYOU!

HOUSE CROSS COUNTRY
On Monday we almost completed the scheduled events however weather dramatically changed. Our grade 2 children will complete their Cross Country runs straight after Friday's assembly.

CURRICULUM DAY REMINDER
A reminder to parents that our next pupil free curriculum day is scheduled for FRIDAY 3RD JUNE. Our presenter for the day is Julie Shepherd who is one of the best English Consultants available and someone who is a regular visitor to our school working alongside of our staff. The focus for the day is SPELLING.

The Basin Primary School

Bounce Back Award!

For the first half of this term are exploring ‘courage’. We are looking at what courage is, helping yourself be brave, being brave to help someone else, having courage to be yourself and how to become braver. We have some very courageous students at The Basin PS, what a great quality!

Prep: Adam Dell - for becoming more confident when speaking in front of his peers, especially during Show and Tell sessions. You showed confidence and courage even though you were a bit nervous. Well done Adam!

Grade 1: Makayla Matthews - for bringing a happy smile and positive attitude to school each day. You always look on the bright side Makayla—you are a rainbow in our classroom!

Grade 2: Tahlia Mather - for having greater confidence to give new things a go. It takes great courage to try something different. Well done Tahlia.

Grade 3: Brodee MacGregor - for showing great courage and a growing confidence to have a go when participating in NAPLAN. Brodee, it was fantastic to see you exhibit such a positive attitude even in areas you found challenging!

Grade 4: Jake Stephens - for always giving things a go! You are always prepared to try new things and complete challenging tasks. Keep up your great attitude Jake!

Grade 5: Dylan Rodda - for putting the needs of others ahead of his own and showing great compassion. Great work Dylan!

Grade 6: James Eldridge - for having the courage and confidence to give everything a go. You always try so hard James and should be very proud of yourself. What a great role model you are!

Bounce Back!
WEEK 4 AWARD WINNERS
DISTRICT ATHLETICS CHAMPIONS

Everyone associated with The Basin Primary School who was at Knox Athletics track last Thursday could not help but feel an overwhelming sense of pride in our students and school. We had 66 competitors represent our school with pride, determination, sportsmanship and skill. The combined efforts of each of these competitors resulted in our school being announced as the athletics champions of the Wantirna District. As one of the smaller schools in the Wantirna District this is a great achievement. Team captains Ava Dreher and Hayden Smith showed great leadership in accepting the shield and pennant on behalf of the team. We are so proud of the team and acknowledge the commitment they displayed during training and the “never give up” approach they showed when competing. It was a great to see our large team of supporters enjoying the excitement and providing terrific support for our athletes. Special thanks to Leigh Murphy, Dianne Parkinson, Melissa Richardson, Richard Gordon and Kylie Cribb for their help on the day and to our entire staff for the ongoing support of our team. Remarkably four (from the 6 age groups) of our students were awarded the medal for the outstanding athlete in their age group. Well done to Lauren Hassing, Brodie Prescott, Ben Griffin and Zarah Smith. No less than 28 of our star athletes have now qualified for the Division Athletics Carnival on Wednesday 5th October 2016 at Knox Aths Track. (See details in the following report).

What time is it?

It’s Brainfood Time!!!

What is it? Your brain needs good, healthy food to work properly. A healthy, balanced diet helps you to concentrate on your work. These healthy foods include vitamins, natural sugars and minerals that are good for you.

When? Students will usually eat their brain food at around 10.00a.m each day.

What? Brainfood is a healthy, unprocessed and unpackaged snack that students bring to school. It is something that’s not messy to eat, so you can work and eat it at the same time.

Why? Brainfood is important because it gives us energy and brain power to last the day.

Thanks,

India Phillips and Briana Kilbride
Environmental Captains

It’s a good idea to peel and cut up your child’s fruit for Brainfood.
NUDE FOOD DAY

Nude Food Day is about helping our environment by using less packaging and eating fresh, healthy food.

The Basin Primary School will celebrate Nude Food Day on Wednesday 18th of May. Students are encouraged to bring a lunch box packed with fresh food and no packaging. So get creative and go Nude!

WALK SAFELY TO SCHOOL DAY 2016

Friday 20th May is National Walk Safely to School Day.

The day is aimed at promoting physical activity, encouraging safe pedestrian habits, reducing traffic congestion around schools and air pollution. Students are encouraged to walk to school with a parent or carer.

Active Wear Day

Friday 20th is Active Wear day! As well as walking activity to school, students can wear exercise gear to promote physical activity. They will also be participating in a whole schoolletics session - Let's Get Active!

GRANDPARENTS DAY – TUESDAY 17TH MAY

Monday 2nd May 2016.

Dear Parents & Grandparents,

Due to our increasing enrolment and more Grandparents and Friends attending this annual event we have decided to split the morning into two sessions to enable us to cater better for our car parking and seating capacity.

Basically we will run two sessions – session 1 starting at 9:30 to 11:30am and session 2 from 12:30 to 2:30pm.

An hour gap between the sessions will enable time for grandparents in the first session to leave and provide the parking spaces required for the second group.

Please note this year we will not be able to provide a morning cuppa as in previous years due to these changed arrangements and busier schedule.

The format for the morning is as follows –

<table>
<thead>
<tr>
<th>TIMELINE</th>

PARKING ARRANGEMENTS

Please see the attached school map with both the classrooms plan and highlighted parking areas.

SPECIAL ASSEMBLY

The special Grandparents and Friends assemblies for both sessions will include a performance by our choir and some children will share their thoughts of why their grandparents/friends are so special.

See you on Tuesday 17th May.

Kind regards,

Graeme Russell
Principal

RE: FREE DENTAL SCREENINGS AT SCHOOL FOR BASIN PRIMARY SCHOOL

Inspiro is a local health care provider based in Lilydale, offering dental services to adults and children in the Yarra Ranges. Inspiro has partnered with Basin Primary School to help prevent dental disease in your local area.

In Term 2, Inspiro will be offering free dental screenings to children at your child’s school during the following sessions:

May 30, 31, June 1– Monday, Tuesday and Wednesday at 9:30 am

The dental screening is free of charge for all students, including those with or without a health care card or the Child Dental Benefits Schedule. The screening is not a replacement for a full dental examination. It does, however, provide an important opportunity to identify dental problems at the onset and provide timely intervention.

The screening will be performed by an Inspiro dental clinician and dental assistant and is a basic, non-invasive procedure used to identify oral conditions that may need further investigation.

It involves the dentist taking a quick look inside the child’s mouth with basic dental tools such as a mouth mirror, probe and dental tweezers. If a child is concerned about any of these tools, the tool(s) will not be used during the screening. We are also offering a free fluoride treatment which involves a cream applied to the teeth.

At the completion of the screening, your child will be given a dental screening report (and a show bag) advising of any recommended examinations or treatments for future follow up by parents.

Early detection of decay and other dental disease is vital in preventing bigger, more painful and expensive problems in the future. Left untreated, dental disease is progressive and will result in greater discomfort and is likely lead to permanent problems, such as tooth loss or lasting pain.

While the dental screening at your child’s school is completely free of charge, any future examinations or treatment booked at Inspiro’s dental clinic in Lilydale may incur a fee. See the table below for more information about eligibility for free treatment.

If you would like your child to undertake a free dental screening at school, please sign and return the attached consent form to Reception May 16th 2016

Inspiro also welcomes everyone, including adults and children with or without:

- Child Dental Benefits Schedule
- Health care and pensioner concession cards
- Private health insurance.

Kind regards

Andrea Nazareth

**Program Update**

This week we have been doing...

This week at OSHClub we have been thinking about our mums and how to thank them, as well as engaging in many different games and activities. Football has continued to be a focus of many children so we have been enjoying a lot of sport. Drawing and crafting has been a large part of the week. We have held Pokémon drawing and paper plane design competitions which have been great fun. Group games are happening every day and have been a fantastic way to finish the morning.

**Planning...**

Armaan is completing his placement at the end of this week and will be back at the Basin next Monday. In the meantime Jack will be taking over and all staff will be stepping up to help out.

The goal for next week is to help our children become stronger and more confident learners. We will try to spend a lot of time outside playing together (when it’s not raining!), running games like football, fruit salad and octopus. Drawing and colouring will be available for our children every morning and night, and we will create some exciting craft items throughout the week. Our morning games have been enjoyable for everyone and so we will play these in the afternoon too. If you know of any exciting games or craft ideas please feel free to let us know. Any other suggestions? Give us a call or come and see us in the OSHClub room.

**Booking In**

This term we have been having a very high number of bookings most mornings and especially at nights. Make sure to book your children in early to ensure we can accommodate them at OSHClub.

**Holiday Program**

Planning is already underway at OSHClub HQ for the next holiday program and we will be doing some really great activities. Watch this space for some more information 😊

**Enrolments**

Please ensure that your child’s enrolment is up to date and add any siblings that may be attending OSHClub in the new term.

A Big Welcome to All Our New Bankers!!

*New Bankers* - Very IMPORTANT that you include your account number and BSB for the first deposit so we can add you to the school banking system and allocate your school banking number. It’s wonderful to see so many new bankers across the school. We know you’ll enjoy saving with us and the wonderful rewards you can earn.

Please remember to complete both your deposit slips and the receipt part. If these are not filled out then we have to return them to you.

It’s not too late to start banking and enter the competition to win tickets to Australia Zoo and Meet Bindi and Bob Irwin. 15 deposits are needed before the end of Term 3.

We have received a lot of reward orders over the last 2 weeks which is wonderful to see. Please remember that you can only order from Term 2 items which are the Mud Splat Ball and Outback Pat Bag Tag. These items can take 2 weeks before you receive them.

For fun activities and saving ideas for parents and kids, check out The Beanstalk activity centre at www.commbank.com.au/youthsaver

Should you have any questions please feel free to come and see us in the staff room on Tuesday mornings between 9:30-11:30am or email us at thebpschoolbanking@gmail.com

We look forward to another successful year of banking with you

Jacqui, Donna and Liz ☺
