**MARCH 12th**

**Curriculum Day**
Last Friday our staff spent a wonderful Curriculum Day with Lindsay Tighe from Inspirational Coaching. Research informs us that we become better at our work when we are coached by our peers. This curriculum day covered - how coaching can be one of the most powerful techniques in drawing out potential, the secrets to being a great coach, understanding how one question can transform mindsets, an introduction to the powerful “GROW model” of questions and applying your learning in an experiential coaching activity. The GROW model can be used in so many aspects of our life. Lindsay has written several helpful books including - "Better Parents Ask Better Questions" which encourages parents to become a Potentialiser and bring out the AMAZINGNESS in your kids! Visit her website for more information - [http://www.icoachu.com.au/](http://www.icoachu.com.au/)

**Student Safety - Supervision**
During the school day, all teachers take their “duty of care” very seriously and work closely together to ensure students are supervised whilst in classrooms and also out in the playgrounds. In our planning, we have the school divided into zones and our staff are assigned to each of these zones from 8:45am before school, through each recess and lunchtime, as well as after school until 3:45pm. To ensure that students are appropriately supervised, we ask that students arrive at school after 8:45am each morning and collected no later than 3:45pm. Our teachers and office staff are busy after school with meetings and administrative tasks and are not able to provide supervision after 3:45pm. Parents are able to book children into the OSHCLUB school care program by visiting the website.

**Prep Enrolments**
School tours with parents of 2016 Prep students have commenced - earlier than previous years! As I tour nearly all these parents comment on hearing great things about our school in the local community, which is fantastic. If you have a little one starting next year could I ask you to pick up an enrolment form at the office?

**Prep Family Fun Night**
What a great night! This annual low key event provides an opportunity for both parents and their children to meet socially and enjoy some games together. Thankyou to our Prep teaches for their organisation, Mr Goldie for organising the sports equipment and games and to Mr Ossie who finished the night with a few songs with our lovely Prep children. Also thanks to the dads who did a great job cooking the sausages!

EASTER RAFFLE
The PFA are once again conducting our annual Easter Raffle which will be drawn on the last day of term – Friday 27th March. Thankyou to the families who have already donated Easter Eggs for the raffle and sold raffle tickets. Additional raffle books are available from the office. A very special thankyou to Lisa Rule and Vanessa Stewart who are once again coordinating this raffle. Going by the number of eggs we have received there will be several prizes. Last year there were 14 baskets of eggs collected for our raffle - great odds from just buying one ticket!

TWILIGHT SPORTS
Our Annual Twilight Sports is scheduled for Wednesday 25th March. This is always a fun night - one enjoyed by both the children and parents. Fingers crossed for good weather! This annual event brings together the school community for a fun night as the children rotate around a number of athletic events. The children all receive a participation certificate at the end of the night. I know Mr Goldie would like the children to arrive and be assembled on the oval by 5:00pm with events starting at 5:05pm and continuing until 6:30pm. Each year working at the sprint event I love watching the little ones charging down the track looking in amazement at how quickly their legs are moving. See next week’s newsletter for a program of events.

KNOX RELAY FOR LIFE 2015
This wonderful event starts on Saturday March 28th at 4:00pm through to 10:00am on Sunday March 29th at the Knox Park Athletic Track Knoxfield on the corner of Scoresby Road & Ferntree Gully Road. This is a fantastic Knox community event that raises money to support those within the Knox community who are impacted by cancer. Your support, at any level, will be greatly appreciated and you will have the knowledge that you have been a part of Knox Relay for Life 2015 and its practical support of the work of Cancer Vic within Knox. We are very proud of our very own Amy Hillier who has been the Chairperson of this event since it commenced three years ago and to date $283,000 has been raised. Our school staff and friends have entered a team in this event so if you have time, pop down and give them some support - I know they would appreciate some company as they circle the track.

WENDY FOX - 'YUMMIES 4 TUMMIES' NIGHT
Another reminder to parents about the 'Yummies 4 Tummies' information session being delivered by one of our very own parents - Wendy Fox next Wednesday from 7 to 9pm in the Grade 5/6 building. This will, be a fun night including some information about nutrition, recipe demos and some games. Please contact the office if you would like to attend.

SCHOOL COUNCIL AGM
The Annual General Meeting will be held next Monday 16th March where we will hold elections for the positions of President, Vice President, Secretary, Treasurer and conveners of the four sub committees - Finance, Buildings and Grounds, Publicity and Education.

END OF TERM
Parents are reminded that Term 1 ends on Friday 27th March. Children will be dismissed at 2:30pm following a special assembly commencing at 2:00pm in the multipurpose room for the sole purpose of drawing our the Easter Raffle. The second term commences on Monday 13th April.

Bounce Back Award!

This week in Bounce Back we have continued our discussions about how everyone has set backs sometimes, how we can ‘bounce back’ from challenges, remembering that bad times don’t last, and that helpful thinking makes you feel better. It’s great to see so many students learning to be resilient!

Prep:

**Grade 1: Baxter Johnson**—for his consistently positive attitude and effort in all areas. We love the way you always smile, even when something is difficult and you always try your best Baxter. Keep it up!

**Grade 2: Bridget Williams**— making a positive effort to organise her books and her tub. Awesome Bridget, it’s so neat and tidy!

**Hayley Andrew**—for learning to deal with challenges in life and understanding that a problem shared can be nowhere as bad as it seems. I am so proud of you!

**Grade 3: Andrew Berezy**— for his happy and positive attitude and for always encouraging others. You are a star Andrew!

**Grade 4: Prue Lynch**—for facing her challenges and rising above her fears. Keep it up Prue you are doing a fantastic job!

**Grade 5: Kaylah Mitchell** - for approaching new tasks with a improved positive attitude and showing resilience when facing challenging situations in the classroom. Keep it up, you rock Kaylah!

**Grade 6: Miranda Cogdale** - for her great positive approach to all aspects of school life. You keep taking on challenges and supporting others to do the same. Love your work Miranda!
Junior School Council Representatives

It is our pleasure to announce the following students as Junior School Council Representatives;

**Grade Prep:** Abigail Holden and Elias Hodge

**Grade 1:** Alannah Turner and Evan Hassing

**Grade 2:** Lara Young and Zane Smart

**Grade 3:** Lillee Dalton and Casey Cormack Brown

**Grade 4:** Ella McCallum and Travis Hillier

**Grade 5:** Lauren Hassing and James Eldridge

**Grade 6 JSC captains:** Tom Swindell and Tarni Mays

Students will be presented with their badges at the assembly on Friday 13th of March. The first Junior School Council meeting will be held on Monday 16th at the start of lunchtime in the BER common area. This will be a quick ‘get to know you’ session. We ask for each representative to bring a small healthy snack for us to share (remember no nuts, egg or dairy please). Thank you 😊
ACTIVE APRIL 2015

All members of our school community are invited to take part in "Premier's Active April". This initiative is aimed at having Victorian’s become more active. With over 25% of Victorian school children considered overweight, establishing the importance of physical activity during childhood can ensure lifelong participation with resulting health, social, economic and environmental benefits. Research also suggests that time in physical activity may improve academic learning outcomes. Active April challenges students, parents and staff to engage in 30 minutes of physical activity on as many days as possible throughout April. This activity can be achieved in countless ways: walking, riding, running, climbing play equipment, training for sporting teams, swimming, household chores, Phys-ed and Sport lessons at school, martial arts, dance, etc. We have established a school team for Active April and would love you to join (there is no cost involved and if there are days when you can’t manage the 30 minutes of exercise that is no problem either). By participating you also become eligible to win prizes individually and for the school.

- 10 free YMVA visits (eg. Knox Leisureworks)
- 15% off at Sportsmart
- A 2 for 1 pass to Melbourne Aquarium

ACHIEVEMENT PROGRAM

As an accredited Health Promoting School we are a part of the “Achievement Program”. This program covers a diverse range of health areas and sets benchmarks in each of these areas. We are pleased to announce that we have been awarded advanced standing in the area of “Physical Activity” having met all of the benchmarks in this area. We are currently well on our way to completing the area of “Sun Protection”. Our action plan in this area has included the provision of additional shaded play areas and drinking taps, the supply of bulk sunscreen pump packs in each classroom and the sale of mini-sunscreen tubes that clip onto school bags. We are now planning to increase awareness of UV levels throughout the school. We look forward to working with our school community to make The Basin Primary School an even healthier environment.

Dale Goldsmith, Kylie Cribb and Richard Gordon – Wellbeing Team
HOTSHOTS TENNIS

On Wednesday all students in Grade Prep, 1 and 2 thoroughly enjoyed a session of Hotshots tennis. Hotshots is modified tennis played on a reduced size court with smaller racquets and lower compression tennis balls that bounce slowly allowing extra time for strokes to be played. Not only did our students love the tennis but the giveaways were also a big hit. The sessions were run by coach Seb from Batterham Park Tennis club (adjoining The Basin Football Club). If you would like to arrange a free come and try Hotshots Tennis lesson (days are flexible ) please call Seb on 0408 710 235

SCOOTER DEMONSTRATION

Last Thursday we were visited by a team of professional scooter/skateboard riders from “Madd Gear”. The demonstration team spoke about scooter safety and then thrilled our Grade 3/4/5/6 students with their acrobatic display. The students were particularly delighted to see Mr C used as a “dummy” in the demonstration and thoroughly enjoyed the giveaways.

The Basin Music Festival

20-22 March 2015

A wide range of live music, over 100 performances in seven venues (five of them free!), including the main outdoor stage in the park. Food and market stalls surrounding a great playground. Music all day Saturday, from 11 am to 10 pm with an emphasis on rock n roll on the free outdoor main stage in the evening. Sunday is family day, with live music all day 11:00 am to 6 pm in the park and in all venues, and more music into the evening in the pubs. Weekend pass $20 for paid venues; children under 12 free. For more information about the program, prices, and special events, please see the web site!

www.TheBasinMusicFestival.org.au

Location: In the heart of The Basin, where Mountain Highway meets Forest Road (Melway 65 G?)
Knox Park Athletic Complex  
Bunjil Way, Knoxfield

Saturday 28th and Sunday 29th of March will be a big weekend for many of our staff members. Again The Basin Primary School has entered a team in ‘Knox Relay for Life’. This fantastic event raises money for the Cancer Council, increases awareness in the community and honours those that have been touched by cancer.

Our team will be walking around Knox Athletic Track from 4pm on Saturday afternoon until 10 am on Sunday morning. 18 hours of walking is a great feat and we would love the support of our school community. Last year we had some staff members walk over 100 laps of the athletics track. That is equivalent to 40 kilometres!

Any families who would like to come down are welcome and I am sure our team members would love the company if people would like to walk a few laps. Alternatively come down and make a donation. Participants will be fundraising to raise extra money for this event, with items for sale.

There will be a ‘Kids Korner’ set up from 5pm until 7pm on Saturday. An unlimited wristband can be purchased for $5.00 for unlimited use of activities such as the jumping castle. Live music and food vendors will be keeping everyone fed and entertained.

If you would like to make a donation there will be a purple ‘Relay for Life’ box at the office.

Thank you for your support.
Program Update

HOLIDAY PROGRAM
We are pleased to let all parents know that we are running a holiday program this coming Easter Holidays. If you would like to enrol or book your children in please go to the website www.oshclub.com.au and create an account or add some vacation care booking. If you need assistance in doing this please give our program phone a call between the hours of 7am – 9am or 2:45pm – 6:15 pm. The hours of the holiday program will be a 7:00am start and we will close at 6:00pm! What is happening for each day is now available online as well as at the program.

ASTHMA PLANS
It is a new year and as part of the new year those children who are attending before and after school care need to bring in an updated Asthma Plan. If your child attends our program you please bring in an updated plan as soon as possible.

CAR PARKING
When picking up or dropping off your children at our program we ask if you could please park before the crossing rather than in the car park past the crossing as children are constantly walking along that path!

MONDAY 16TH MARCH – FRIDAY 21ST MARCH
Our theme next week will be about cooking. We will be cooking things like cakes, slices, pasta, kebabs and other yummy foods. If you have any suggestions of things that you may like to cook at the program please let us know.

TERM 2
Affective Term 2 we will be doing breakfast from our program room. We will be doing this as we have found being split between the kitchen and program room has gotten a bit confusing for some of the parents.

THANK YOU!
HAVE A LOVELY WEEK!

Can You Help?
We are collecting the following items
- Small Off Cuts Of Wood
- Boxes
- Old Clothes Suitable For Dress Ups
- Dolls That Are No Longer Being Used

The Basin Primary School Country Fair Committee invite you to celebrate the end of term with a Movie afternoon on Friday March 27th 2015 at 4pm

After her father unexpectedly dies, young Ella (Lily James) finds herself at the mercy of her cruel stepmother (Cate Blanchett) and stepsisters, who reduce her to scullery maid. Despite her circumstances, she refuses to despair. An invitation to a palace ball gives Ella hope that she might reunite with the dashing stranger (Richard Madden) she met in the woods, but her stepmother prevents her from going. Help arrives in the form of a kindly beggar woman who has a magic touch for ordinary things.

GIVE YOUR CHILD A HEAD START IN MONEY MATTERS.

The Basin Primary School is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward. The rewards items available during 2015 are:

- E.T. DVD
- Planet Handball
- Invisible Ink Martian Pen
- Intergalactic Rocket
- Glow-in-the-Dark Solar System
- Cosmic Light Beam Torch
- Outer Space Savers Money Box
- Lunar Light Band

School Banking is an important fundraiser for our school which receives a commission payment for every account activated via School Banking as well as on deposits made through the program.

School Banking day is every TUESDAY and bank books are collected in the morning, processed by parent volunteers and returned the same day.

For your convenience, our dedicated School Banking representative, Kath Penny will be holding an account opening session at school.

THURSDAY 19TH FEB 8:30 - 9:30am

To open a Commonwealth Bank Youthsaver account for your child, please bring along your driver’s licence or another form of photographic identification.

Alternatively, you can open an account at any branch of the Commonwealth Bank and all you need to bring is your current identification as well as your child’s birth certificate. Your closest branch is in Dorset Rd Boronia. You can also open an account by calling 13 22 21 or online if you are an existing Commonwealth Bank client.

Thank you for supporting School Banking!
