COLD & FLU SEASON
The cold and flu season is upon us and a parent’s decision to keep a child home from school when he or she is sick can sometimes be a difficult one. No parent wants to interrupt their child’s learning, and for some, keeping a child home means missing work or losing pay. However, if he or she has a serious illness such as the flu, gastroenteritis, tonsillitis, high fever, etc. it’s important for the child to stay home from school. By taking this step, parents can help their children get better faster and prevent the illness spreading. Please remind your children as we do to use good hygiene - discarding used tissues promptly, not to share personal items, to cover their mouths when they cough or sneeze and to wash hands thoroughly.

CURRICULUM DAY - PUPIL FREE DAY
A reminder to parents that the next day School Council approved Pupil Free Day is tomorrow, Friday 3rd June and no children are required at school.

QUEEN’S BIRTHDAY LONG WEEKEND
A reminder that the Queen’s Birthday long weekend is upon us and the school will be closed next Monday 13th June.

END OF TERM DISMISSAL
An early reminder to parents that the children will be dismissed at 2:30pm on the last day of Term - Friday 24th June.

STUDENT MID-YEAR REPORTS
Our teachers are in the process of completing the children’s Mid-Year Reports that will be available to parents in the last week of Term. As we are shifting to the COMPASS online reporting package parents will receive detailed instructions around accessing reports on line. Interviews are planned for the second week of term 3.
1. Life is mainly good, but now and then everyone has a difficult or unhappy time. That’s a normal part of life.
2. Things nearly always get better even though sometimes they may take a bit longer to improve than you would like. Stay hopeful and work on the problem if you can.
3. You will feel better and have more ideas about what you might do if you talk to someone you trust about what’s worrying or upsetting you.
4. No-one is perfect - all of us make mistakes.
5. If you can find something positive or funny in a difficult situation, no matter how small, it can help you to cope better.
6. Take responsibility for the thing you have done that contributed to a difficult or unhappy situation.
7. If a situation can’t be changed, you just have to accept it and live with it. Don’t make yourself miserable by exaggerating how bad something is or by assuming that the worst possible picture is the one that will happen.
8. When something goes wrong it will usually only affect one part of your life. Concentrate more for a while on the things in your life that are still going well.
9. Everyone gets scared at times but not always about the same things. Facing your fears will help you to grow stronger.
10. If you are upset find a way to calm yourself down so you can think of the best way to deal with how you are feeling e.g. you can change a bad mood into a good mood if you try. You could:
    - rethink the problem in a more helpful way
    - go for a vigorous walk or undertake some other form of exercise
    - do something kind for someone else
    - go over some good memories by looking through photographs
    - watch a funny TV show or DVD or read something funny

LOST PROPERTY
If your student has misplaced anything at school - please check at the General Office. We currently have a variety of toys.

WEEK 7 AWARD WINNERS
5/6 Winter Sport Round Robin

On Tuesday 31st May, the Year 5 and 6 students had a winter sports round robin day, where we competed against schools in our region.

Boys T-Ball Team
Our team of 15 grade 5 and 6 boys played at Gilbert Park. In our first game we won against Knox Gardens 14 - 7. The second game was against St. Andrews, they won 3 - 17. The highlight of the game was when Jai Raistic caught two hits. In our final game unfortunately we lost to Regency Park 4 - 13. In all it was a wonderfully day. A special thank you to Mrs. Reid and Mrs. Cribb for encouraging and training us. We would also like to thank all the boys for playing. Go Basin!

Girls T-Ball Team
We played 3 games at Gilbert Park, it was a long and exhausting day, but the girls did very well. In our first game we versed Knox Gardens and won 14 - 0, it was our best game. In our second game we played against a boys team from St. Andrews and drew 10 all. This was our hardest game. Our last game was played against a mixed team from Regency Park, and we won 14 to 12. We would like to thank Mrs. Reid for being an awesome coach and Mrs. Cribb for being an amazing supporter. Good luck to the T-Ball girls for round two and congratulations on your wins!

Netball
22 girls played netball at Kent Park Primary School for the winter round robin. Everybody tried their hardest and it really paid off during the games. The Grade 6 girls has a really competitive first game against Knox Gardens, which we lost 25 - 3. The B Team won against Knox Gardens 6 - 7. Both teams lost their second game to Regency Park. The A Team won their third game against St. Andrews and the B team drew against St. Andrews 2 all. Good job everyone! We would like to thank Miss Smith and Ms Turner for being our coaches. A special thank you goes to Danielle for umpiring 5 out of 6 games! Go Basin Netballers!

Volleyball
We played our games at St. Jude’s Primary School. The first game was against Kent Park was 21 - 14 for the first set and 21 - 19 for the second set, both of which we won. For our second game, which we won, we played 3 sets against St. Andrews, the first set was 21 - 20. St. Andrews showed wonderful sportsmanship by being honest about losing the point we thought they had won, so we replayed the point. The last team we played was Lysterfield. We won the first set 21 - 20, and Lysterfield won the second set 21 - 20, meaning the game was a draw. Thank you to Karen Mitchell for helping us so much!
Girls Soccer
The girls soccer team had an amazing day and at the end we were exhausted, but undefeated. Our first game against Knox Gardens was hard, but we won 1 - 0. Our second game was against St. Judes, we won with a score of 5 - 1. The last game we played was against St Andrews and we won 3 - 0. Thank you Miss Gooch for coaching and a big thank you to Mr Hartley for umpiring each game, we couldn’t have won without you. Thank you also to the parents that came to support us. Go girls! Division A here we come!

Boys Soccer
We played at the Egan Lee Reserve. Our first game was against Knox Gardens and we won 2 - 1. Our second game was played against St. Judes and we had our second victory 6 - 3. The final game, against St. Andrews, was very competitive, and we drew 2 all. We would like to thank Miss Gooch for coaching, and Mr Hartley for refereeing every match. We would also like to thank the parents that came to support us.

Football
The football team did a great job, winning 2 out of their 3 games. There were several major goal kickers, but the whole team played very well. We won our first game, against Lysterfield with 7.5.35 to 3.3.21. Our second game was against Kent Park, and we lost 6.4.28 to 5.4.20. Our final game against Knox Gardens was our biggest win with 12.4.78 to 0.11. Well Done The Basin! We would like to thank our coach Mr. Murphy, all the umpires and the people that came to cheer us on.
DANCEFAIR 2016 - GRADE 5

On Friday 27th May the Grade 5 Dance Team competed in DanceFair Victoria at Fairhills High School. Students represented our school in the three sections of team, duo and solo. All our students put in a fabulous effort and did both the school and themselves proud. The students competed against 5 other schools.

Congratulations to all the students and thank you to everyone who came along and supported the school on Friday night. It was great to see so many people there. Also big thanks to the parents who filmed and took photos on the night.

GRADE 5 DANCES

This concludes the 2016 Dance Comp Season and all the students should feel very proud of what they have achieved. Till next year, keep dancing and creating!
Seth Franco Visits the Basin Primary School

Last Friday the 27th of May Seth Franco from the Harlem Globetrotters spoke to the Years 3-6. Firstly, he picked people from the crowd and got them up to play a game it was fun even just from sitting in the crowd. Next, he got the boys up to dance then the girls but by far the funniest group were when the teachers got up to dance. Mr C won the dance competition and got up to do a solo, it was hilarious. He then started telling us about his childhood. He told us he had Hip Dysplasia and he was put in a wheelchair. He wanted to play basketball which everyone thought was crazy. He was determined to play so he worked on his hand skills. He showed us awesome tricks. He definitely inspired everyone to chase their dreams.

**Victorian State Schools Spectacular – Get your tickets!**

We are proud and excited to have some of our students participating in the *2016 Victorian State Schools Spectacular: The Elements*.

This year’s Spectacular will be held at Hisense Arena on Saturday 10 September, with two shows at 1pm and 6:30pm. The three-hour Spectacular will be filmed for broadcast by Channel 7.

For a fun, family entertainment experience, and to cheer on our students from the audience, be quick to secure discounted tickets.

Talented young skaters, musicians, dancers and singers will feature on stage, while many other students will work behind the scenes, gaining unique, on-the-job, professional experience.

This program, run by the Department of Education and Training, helps to develop each student’s performance skills, discipline, perseverance, cooperation and confidence under the training of industry professionals.

Discount Early Bird tickets for the Spectacular will be available for **11 days only** from **10am on Friday 3 June**. Standard ticket prices will apply after then.

Program Update

This week we have been doing...

This past week the Osh Kids and Staff have been busy working on our new Quality improvement plan display and the OSHClub rules and values board which encourages the children to bring forward their ideas and opinions and see the on display for the next 3 months. The students have responded well to the week-long activities as they have a chance follow the activity from start to finish and incorporate planning and finishing touches on the work.

Planning...

Moving forward we are trying to incorporate sustainability and life skills into our daily routines such as, composting, recycling and gardening. If you know of any exciting games or craft ideas please feel free to let us know. Any other suggestions? Give us a call or come and see us in the OSHClub room.

Booking In

Please ensure you are contacting OSHClub if your child is not going to be at a session to avoid us following the missing child procedure, please contact us on 0428162718 if you child is not able to attend a session. This Friday is a pupil free day, bookings have been completed, all bookings made for Friday the 3rd will be charged an additional $10 late booking fee.

Holiday Program

Planning is complete and we now know all the exciting activities and themes we will be doing each day of holiday Program. See attachment for more information, or come in and see us in the OSH Room.

Enrolments

Now it is mid-year, please ensure that your enrolment is up to date with correct account authorities, contact details

And emergency contacts.
