<td>5th Division X country</td>
<td>Everyone at school is becoming more tired as the term progresses and we have seen quite a number of children and some staff away sick. The concert rehearsals are also tiring for the children but their efforts are worth the practice. The dance routines and singing are becoming more polished each day. This morning I dropped into the multipurpose room at different times to watch the full dress rehearsal and the children looked great in their costumes and both sang and completed their dances with great precision and enthusiasm. I am sure everyone will be super impressed on both concert nights. Can’t wait!</td>

Could I ask those attending to contact the office so we can prepare for this meeting?</td>

<td>10th 1/2 Dinosaur Digger</td>
<td>Do you know if your child reads an extra 10 minutes a day at home that equates to 70 minutes a week, 350 minutes in one month, 3600 minutes in one year and 21,900 minutes from Grade 1 to Grade 6? All this extra reading will lead to a significant and broader range of vocab and an increased level of spelling. (Article from Scholastic Books)</td>

<td>The Victorian Government has unveiled a new $148 million initiative to ensure all Victorian students can take part in school trips and sporting activities. The Camps, Sports and Excursions Fund (CSEF) will run over four years and provide payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card, or temporary foster parents, are both eligible to apply. $125 per year will be paid for eligible primary school students, with $225 per year paid for eligible secondary school students. Payments will go directly to the school and be tied to the student. Information about this fund and application was send home last week. Could eligible families please complete these forms and return them to the office ASAP?</td>

QUEEN'S BIRTHDAY LONG WEEKEND
A reminder that the Queen's Birthday long weekend is upon us and the school will be closed next Monday June 8th

END OF TERM EARLY DISMISSAL
An early reminder to parents that the children will be dismissed at 2:30pm on the last day of Term - Friday 26th June.

SOME KEY MESSAGES TO COMMUNICATE TO YOUR CHILD TO HELP THEM BECOME MORE RESILIENT - INFORMATION from OUR ‘BOUNCE BACK’ PROGRAM.

* Life is mainly good, but now and then everyone has a difficult or unhappy time. That’s a normal part of life.

* Things nearly always get better even though sometimes they may take a bit longer to improve than you would like. Stay hopeful and work on the problem if you can.

* You will feel better and have more ideas about what you might do if you talk to someone you trust about what’s worrying or upsetting you.

* No-one is perfect. All of us make mistakes and finds out there are some things we can’t do well.

* If you can find something positive or funny in a difficult situation, no matter how small, it can help you to cope better.

* Take fair responsibility for the thing you have done or not done that contributed to a difficult or unhappy situation. Don’t over-blame yourself because circumstances, bad luck or what others did may have contributed too.

* If a situation can’t be changed, you just have to accept it and live with it. Don’t make yourself miserable by exaggerating how bad something is or by assuming that the worst possible picture is the one that will happen.

* When something goes wrong it will usually only affect one part of your life. Concentrate more for a while on the things in your life that are still going well.

* Everyone gets scared at times but not always about the same things. Facing your fears will help you to grow stronger.

* Don’t let yourself be ‘hijacked’ by your feelings so that you are no longer in charge of yourself. Find a way to calm yourself down so you can think of the best way to deal with how you are feeling e.g. you can change a bad mood into a good mood if you try. You could:
  • rethink the problem in a more helpful way
  • go for a vigorous walk or undertake some other form of exercise
  • do something kind for someone else
  • go over some good memories by looking through photographs
  • watch a funny TV show or DVD or read something funny

Graeme Russell - enjoy the long weekend!

Why did they make “mummies” and build pyramids. Wasn’t playing with hippos dangerous in a small grass boat? Where did the water come from? Who ruled the country? What sort of army did they have? What was tribute? How were the dead judged? How long ago was it anyway? What else was happening at that time? What happened to them? **You will need an empty shoe box with a lid and your art smock for the 1st session.**
