<td>Today we have the pleasure of our local state MP Heidi Victoria visiting us under the 'Principal for the Day' program. It's an opportunity for Heidi to experience first-hand about the daily operation of a school. It will provide us an opportunity to highlight our future plans, discuss flashing 40km lights on Liverpool and Miller Roads, etc. During the morning Heidi will be helping me with a school tour, viewing the children's CBL projects, enjoy a meet and greet morning tea with the staff and thanks to her generosity planting native seedlings with our students which she has organised.</td>

<td>TERM 4</td>
<td>The 2016 Victorian State Schools Spectacular will be performed twice (1:00pm and 6:30pm) on Saturday 10 September at Hisense Arena. We have 16 students who have been selected to perform in this event and today and tomorrow these children will spend two very long rehearsal days in the city and we wish these students and Colin Hartley a fabulous time.</td>
</tr>
<tr>
<td>3rd Oct - 20th Dec</td>
<td>The Spectacular includes a cast of 3000 Victorian government school students, working towards a common goal in a collaborative, competition-free environment. Its dual aim is to provide an invaluable performing arts opportunity to Victoria’s government school students and to showcase the enormous talent that exists in our Victorian schools. This all comes together in a 2-3 hour scripted show that celebrates a diversity of performance mediums, including choir, dance, vocal, drama, and orchestra.</td>

PREP FATHERS DAY BREAKFAST
It was great to see so many dads & a couple of grandfathers / uncles attend the Father’s Day breakfast last Friday. We really enjoyed watching the children present their dads with a special placemat they had drawn before enjoying breakfast together. I spoke to several dads who were thrilled to be invited and share this special moment. After breakfast everyone went back to the Prep classrooms where the children proudly showed off their room and work. This special breakfast event has now become an annual event for our Prep children. Thank you to the Prep team, to Fiona Jackson who did the shopping for this event as well as helping to set the tables and to the many other staff who assisted with the setting up and cleaning – it was very colourful.

SUNSMART
Exposure to sunlight is the main cause of melanoma and an important cause of skin cancer. Australia has the world’s highest incidence of melanoma which has a high mortality rate with survival closely linked to early detection and treatment. Last Monday marked the start of the spring weather and therefore we moved back into SunSmart mode. As a SunSmart school we are required to strictly adhere to a policy of wearing hats between September 1st and April 30th each year. We would like to remind everyone to dust off your Sun smart school hats so they are ready to be worn.

CYBER AWARENESS
Every now and then we hear that some of our students are using social media programs when their parents are unaware. Sometimes unfortunate comments made overflow into our school and we end up having to deal with the aftermath. I’m a bit old fashioned and don’t have a reason to use social media myself however my own children continue to point out the positives. Recently I found this useful guide for parents –

1. Stay up to date—keep up to date with how your child uses their digital devices and new apps.

2. Open lines of communication—it is important to regularly discuss cyber safety and talk about issues your child may experience. By establishing these open and honest lines of communication your child is more likely to come to you if they experience a problem online.

3. Supervise your child—monitor and supervise your child when they are using the internet and mobile devices to ensure their safety.

4. Parental controls—it may be necessary to use parental controls on mobile devices to establish limits on how and when children can access certain sites or games. It is important to note that parental controls should only be used in conjunction with open lines of communication with your child.

5. Protect your devices—use anti-virus software and keep your operating system up to date.

SURVEY REMINDER
Thank you to all families who have responded to the Homework and School Self Evaluation surveys that were distributed last Friday. We really appreciate your feedback and look forward to receiving more over the next days.

CURRICULUM DAY
You may be wondering why we repeatedly put Curriculum Day notifications in the newsletter. It’s because we always have a handful of students arrive at school on these days. The next Pupil Free CURRICULUM DAY is scheduled for Wednesday 14th September.

LAST DAY OF TERM
The last day of Term 3 is fast approaching and I would like to remind parents that students will be dismissed at 2:30pm on Friday 16th September.

• There is no assembly on Friday 16th September.
Last week at school we celebrated National Literacy and Numeracy Week. Throughout the week children joined in a shared buddy reading session, they participated in a Literacy and Numeracy Trail around the school and each grade added a page to a Junior or Senior School Story (both were surprisingly about Mr Russell!!). On Thursday the children joined in Multi-Age Day, moving between different teachers and doing a range of Literacy and Numeracy Activities and finally..... to top off a great week we had Darrell Holden, our School Council President, come along to assembly and read the story ‘My Two Blankets’. It was a beautiful story about diversity and we were lucky to have Darrell read it to us as part of National Simultaneous Reading Time. Thankyou Darrell!

It was a wonderful week of fun celebrations. Thank-you to all involved.

What a great day last Thursday was for our school chess players. 17 students from the program decided to take part in the tournament.

It was held at Great Ryrie Primary School. The students participated in 7 games to show off all their chess skills amongst 6 other schools.

At the conclusion of the tournament the students were presented with certificates of participation and credits. A special mention to those that also won medals in their categories: Julie Anne, Kai Xin and Zarly (Bronze) and Simone (Gold). Overall The Basin Scored 17.5 in second place as a school.

Julie Anne, Gracie, Timothy, Nikith and Teannah were lucky enough to win spot prizes for the skills they showed during their matches on the day.

We would like to thank all the parents that assisted with transport and supported us during the day. Good luck to Nikith, Julie Anne, Teannah, Alex, Zarly, Tim and Simone who have all now qualified to move onto State.

If you are interested in joining our Chess Club please speak to Amy Hillier or Andrew Weekes. It runs on a lunchtime on Fridays.

Monday 12th September 2016 – Knox Leisureworks Swimming Pool

To select our school swimming team for the 2017 District Swimming Sports we are holding trials next Monday 12th September 2016. All students in Grades 5 will have the opportunity to trial if they choose to. We will conduct the trials as a part of normal swimming lessons. At the beginning of the lesson those students who wish to trial will be taken to a lane, timed and then returned to their normal lesson. Students can choose which strokes they want to trial for. Events include Freestyle, Breaststroke and Backstroke and are all 50m. Only students who can swim 50m confidently should trial.
