The whole school Cross Country held today was a fantastic event and it was so good to see so many families come along and support the students as they participated. YEAR 6-7 TRANSITION

Starting secondary school is one of the biggest steps in your child's life. As there are a variety of options for your child's secondary education, choose a school to suit your child's needs. You may want to make a list of things that are important to you and your child or visit the schools you are interested in; they welcome enquiries and will organise a time to visit.

An important step is to involve your child in deciding which secondary school they will attend. The following questions may assist you as you consider which secondary school will best benefit your child:

- Will the school cater for your child's needs and interests?
- How does the school support children with additional needs?
- How important is it that your child knows other children at the school?
- Does your family have a connection to a particular school?
- Do you have older children already attending a secondary school?

<https://www.education.vic.gov.au/parents/going-to-school/Pages/choose-enrol-school.aspx>

It is important that families read this information carefully and adhere to the timeline provided. All enrolment forms for Year 7 were sent home this week to all Grade 6 students and need to be returned to school by **NO LATER THAN FRIDAY MAY 10**.

The Department of Education has a website that will help you to identify your local public school online.

By clicking on the following link and entering your home address, you will see the school catchment area in which you live. www.findmyschool.vic.gov.au

ENROL NOW FOR PREP 2025

We are currently receiving high interest for our 2025 Prep enrolments and need to establish how many siblings of our enrolled students are due to start at The Basin next year. The priority of placement for new students dictates that children who reside in the designated school zone and those who are siblings of current students have the highest priority. We ask that families within The Basin PS community who have a child who is due to commence Prep in 2025 please enrol as soon as possible. This year enrolments are completed online <https://www.vic.gov.au/enrolling-foundation-prep> .

Thank you to those of you who have already completed your enrolment form.

Have a great week, take care,
Donna Krenn & Dale Goldsmith

CONGRATULATIONS TO GEORGIA T WHO HAS MADE THE VICTORIAN EQUESTRIAN TEAM!

I've finally done it! I worked really hard with my pony Mack his fancy name is Aylestone Park Valdez!

Lots of hours training hard for this. There has been hard times, many falls, early mornings lots of chores and craziness! But I kept getting up.

It has not been easy!

It's taken 12months for me and Mack to bond together and work as a team. But the last two days were amazing and difficult. I had to stay focussed to remember my 3 different dressage tests each lasting 5mins and my show jumping round which was higher than I have jumped in a competition before.

We came 4th in the state for preliminary dressage and 1st in the state for Combined Training (dressage and show-jumping).

I am now a member of the Victorian Equestrian Team. Mack and I are off to Tamworth in September to compete at the Nationals!

The training has only just begun! I'm so excited!
