WAKAKIRRI

We are incredibly proud of our students who recently participated in the Wakakirri Story-Dance. The Basin Primary School received the following awards:

- Storytelling Award for Strong use of the Festival Motif
- Ensemble Award for a Well-Performed Rehearsal
- Ensemble Award for Overall Performance
- Production award for Sets, Props and Costumes
- Ensemble Award for Dancing and Acting

These awards are a wonderful reflection of the dedication, courage and resilience our students demonstrate.

Congratulations to all involved—you have represented our school with great pride! A particular thank you goes to Colin Hartley and Lisa MacLean for once again driving and leading our Wakakirri team this year. I would also like to recognise and sincerely thank the dedicated staff, parents and families who continue to support and encourage our Performing Arts program at The Basin PS.

2026 PARENT, CAREGIVER AND GUARDIAN OPINION SURVEY

The 2026 Parent, Caregiver and Guardian Opinion Survey is now available to complete online from Monday August 17 to Friday September 18 2026. The survey seeks feedback on school climate, community engagement in learning and teaching practices for student engagement and learning outcomes. Our thanks to the 26 families who have already completed the survey.

Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The Parent/Caregiver/Guardian Opinion Survey will be open online and all families are invited to participate in the survey. The link to the survey is available through Compass.

The survey is conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese. Resources are also available in additional languages to assist parents/caregivers/guardians who speak a language other than English at home. Please reach out to the school directly for survey guides in your language.

STUDENT FREE DAY – FRIDAY SEPTEMBER 4

Just a reminder that students are not required to attend school on Friday September 4 as this is a Curriculum Day at The Basin Primary School. Staff will be working with an Education Improvement Leader from the Region to continue to develop our knowledge of the VTLM 2.0, with a focus on elements of planning. OSHClub will be operating for any families who require the service.

FATHER'S AND SPECIAL PERSON'S DAY STALL 2026

On Wednesday September 2, all students will be given the opportunity to purchase a gift at the Father's Day Stall. All gifts cost $5.00. You can make payment via Compass until Sunday 25th August. After this date students will need to bring cash on the day. On Thursday September 3, there will an opportunity for children to visit the stall to purchase a second gift. This day will be cash only. The Father's Day stall cannot run without volunteers. We thank the PFA team for all your efforts in providing this opportunity for our students.

FAREWELL

We wish to farewell one of our Education Support staff, Fraser Dowling-Dodds, who has finished up with us at The Basin as he heads overseas to travel. We thank him for all of his efforts and know that the students that he has worked with will miss him.

COMEDY NIGHT

The PFA have been working hard in preparation for the Comedy Night on Friday August 28. Thank you to those who have donated items for the silent auction, your support for the school is greatly appreciated as well as to the hard working members of the PFA who are organising the event. Tickets are still available for this fantastic night.

BOOK WEEK DRESS UP DAY

Just a reminder that next week at The Basin we celebrate Book Week. We will start our Book Week Celebrations with a Book Character Dress Up Parade in the stadium. All classes will gather in the stadium on Monday morning at 9:15am. Families are welcome to join us for the parade.

SUNSMART

A reminder that as the UV levels increase at this time of year, we need to be sun smart!

The CancerCouncil recommend a combination of sun protection measures:

1. Slip on some sun-protective clothing that covers as much skin as possible.
2. Slop on broad spectrum, water resistant SPF30+ (or higher) sunscreen. Put it on 20 minutes before you go outdoors and every two hours afterwards. Sunscreen should never be used to extend the time you spend in the sun.
3. Slap on a hat – broad brim or legionnaire style to protect your face, head, neck and ears.
4. Seek shade.
5. Slide on some sunglasses – make sure they meet Australian Standards.

Our Sun Smart Policy specifies that all students must wear a sun smart hat whenever they are outdoors at school from the beginning of September. Please support our Sun Smart policy by providing a 'sun smart' hat for your child. Hats are available for purchase at the uniform shop.

I will be taking Long Service Leave for the remainder of the term as I travel to the US. Donna Krenn will be Acting Principal at this time and as always Donna and Alec Baroni will be available should you require any assistance.

Have a great week, take care
David Orlandi

SWPBS

School Wide Postive Behaviour

COURAGE | PERSONAL BEST | RESILIENCE | RESPECT

At The Basin Primary School, we believe that **positive behaviour is something we teach, model, recognise and celebrate**. School-Wide Positive Behaviour Support (SWPBS) is the framework we use to create a safe, supportive and positive learning environment where every student knows what is expected and feels valued as a member of our school community.

What is SWPBS?

SWPBS is a whole-school approach that focuses on **explicitly teaching students the behaviours we want to see**. Rather than simply responding when things go wrong, we spend time teaching, practising and reinforcing positive behaviours across all areas of school life.

Our approach is built around our four school values:
RESPECT • **PERSONAL BEST** • **COURAGE** • **RESILIENCE**
These values guide the way we learn, play, communicate and interact with one another.

How does it operate at The Basin?

SWPBS is a **whole-school approach**, which means everyone has a role to play students, staff and families.

Teachers explicitly teach expectations, reinforce positive behaviours and provide students with opportunities to practise them. Students are encouraged to recognise how their choices impact themselves and others and to take responsibility for demonstrating our school values.

Starting Monday our **SWPBS recognition and reward systems** will be in full swing acknowledging students who demonstrate our expectations. Celebrating these behaviours helps reinforce the message that positive choices matter. Students can earn tokens, which then lead to contributing towards a whole school celebration.

Most importantly, SWPBS is not only about rewarding students for simply being "good". It is about **teaching the skills and behaviours students need to be successful learners and positive members of our community**. Together, we can continue to build a school where **every student feels safe, connected, supported and ready to learn**.

Wakakirri

On Wednesday 12th August, 103 students from The Basin Primary School travelled to the Frankston Arts Centre to take part in the 2026 Wakakirri Story-Dance Festival. The evening saw our students perform alongside six other schools from across Victoria in a sold-out theatre, creating an unforgettable experience for everyone involved.

Before the show, the group enjoyed a special lunch at La Porchetta in Frankston, a long-standing Wakakirri tradition for our school since 2010. Sadly, this will be the final year of this tradition, as the restaurant closes in December.

After lunch, students returned for rehearsals, the Pump Up Show, photos, and their final performance. The energy and teamwork on stage were outstanding, and the students were incredibly proud of their efforts.

Judges praised the performance as ***"a magnificent, bold, moving & galvanising piece."*** *The school also received five Show Awards across storytelling, ensemble, rehearsal, production, and performance.*

We now await results for Performance Night on 7th September.

Pentridge Prison
Grade 4 Excursion

The Grade 4 students had an amazing time exploring Pentridge Prison as part of their Australian Laws and History unit. They stepped back in time as they explored the prison cells, exercise yards and warden's house, gaining a fascinating insight into what life was like inside the historic prison. The students heard many interesting facts and stories along the way, bringing their classroom learning to life!

Ben 4H: *It was fun because we had to try break out of the prison for an activity. I learnt that somebody escaped by dressing up as a woman.*
Dante 4S: *I loved seeing the cells and mug shots. I learnt that 150 prisoners escaped.*
Rose 4D: *Our tour guide made us stand on one side of the wall and others on the other side. He showed us how A division was treated nicely and H division was treated so badly they called it 'hell division'.*
Bobbi 4C: *It was a great excursion, I learnt that the prisoners used a bucket as a toilet.*

Responsible Pet Ownership Visit

Last week, our prep students had an exciting visit from Tracie Owens and her dog, Harper, from the Responsible Pet Ownership Education Program.

The session focused on teaching students how to stay safe around dogs. They learned how to approach and greet dogs safely, recognise signs of happy and unhappy body language and understand when it is safe or unsafe to pat a dog. Students also learned what to do if they are approached by an angry, scared or unattended dog.

The visit was fun, interactive and full of valuable tips. Students especially loved watching Harper demonstrate calm and safe behaviour.

A big thank you to Tracie Owens and Harper from the Responsible Pet Ownership team for helping our students learn how to be safe, respectful and kind around animals.

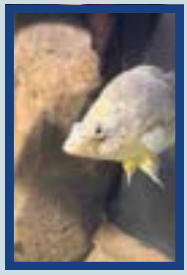

OUR GRADE ONE'S UNDERWATER ADVENTURE!

As part of our Integrated Studies topic, The Sky Above and the Sea Below, our Grade One students recently enjoyed an exciting excursion to SEA LIFE Melbourne Aquarium.
The excursion gave students the opportunity to explore the sea below and see a variety of incredible ocean animals up close, including sharks, rays, penguins, seals, fish and many other fascinating sea creatures. Students enjoyed observing the animals in their habitats and learning more about where they live, what they eat and how they survive.
The visit was a wonderful way for students to connect their classroom learning with the real world. Throughout our unit, students have been developing their understanding of the sky above and the sea below, and the aquarium experience allowed them to deepen their knowledge of ocean environments and the animals that call them home.
It was fantastic to see the students' curiosity and excitement as they explored the aquarium, shared their observations and discovered new and interesting facts. We had a wonderful day of learning, exploring and discovering the amazing world beneath the surface!

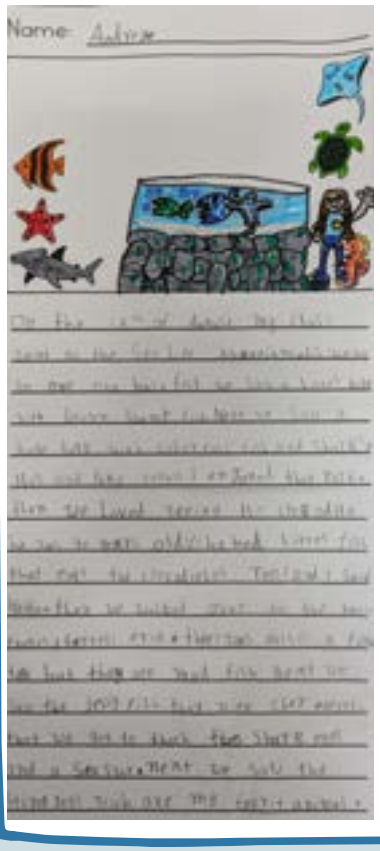

What our students loved

Riley B - I liked seeing the sea horses and the starfish. I touched a starfish too!
Manny J - I learnt that jellyfish dont have a brain. I enjoyed going on the bus.
Jack B - I learnt that jellyfish have 4 bellies.

DISTRICT ATHLETICS

On Friday the 14th of August we had our Athletics team compete at Knox Athletics Track. The team consisted of 76 athletes who tried their personal best. Overall we came 3rd out of 8 schools which is a big achievement!

By placing in the top 2 of the events students had the opportunity to qualify for Division Athletics which will be held on Wednesday the 16th of September. Congratulations to all of our competitors and to everyone that is going to the next round. Good luck!

REGIONAL SCHOOL FOOTBALL

On Thursday 13th of August, 13 Grade 5/6 boys went to Eildon Park in Rowville to compete in the Regional School football. Sadly we had one of our players, Ryan, out for the day due to injury, but we appreciate him coming to support us and still be part of the team the whole day.

In our first game we played Chirnside Park Primary and won 54 to 39 which was an amazing way to start the day and definitely got our spirits up! In our second game we played Bialik College and after a very competitive game, we unfortunately lost 33 to 32. But our day wasn't over yet! In our third game we played Old Orchards Primary School and thankfully we won, 19 to 69. This win allowed us to still progress into the finals series of the day.

In the Semi Final we played Mt Scopus College and unfortunately we lost 47 to 27. They were a very strong team and we tried our very best. After our loss we played Templestowe Park Primary School in the placing final and lost 49 to 13. We placed 4th in the Region.

To reach Regional level was such an accomplishment and we're so proud of all our achievements. We worked hard together as a team and individually and are thankful for the opportunity we were given.

A massive thanks to our coach Justin, who took the time to help each and every one of us and be the best we could as a team, to Miss Morton for supporting us throughout our journey and to all the parents who assisted us in transport to and from the events and more importantly, for the support and continuous cheering from the sidelines!
