AMC Maths Competition

As we reach the midway point of the school year it is a great opportunity to look at what we have achieved so far this year. We have started 74 Prep students on their journey through education whilst 93 Grade 6 students are now only 6 months away from completing their time at primary school.

Our students have been busy working hard in their classrooms and every day there is a real buzz when you enter each and every classroom. To support this learning our students have been to the Zoo, CERES, NGV, Miller Homestead, Imax and museum. Our Grade 6 students attended a three day camp to Phillip Island and our Grade 5s a three day camp at Cave Hill Creek. Our Breakfast Club has run each Friday, our Preps have had a Mother's Day Breakfast and we have celebrated Education Week.

We have participated in House Cross Country, District and Regional Cross Country, District and Regional Swimming and House Athletics. Student leaders have lead and organised a weekly leadership program and Grade 5 students have created fantastic bonds with their Prep buddies. Some have participated in State School Spectacular rehearsals, NEVR choir performances and completed NAPLAN.

LAST DAY OF TERM 3

This is only a snapshot of the many things that have happened in our school. Our students and staff work hard each and every day and achieve great results. I would like to thank our parent community for your input into the school. Every day we have an army of parents who help out around the school. From reading in classrooms with our students, attending sporting events, participating in school committees or attending camps. Without this support we would not be able to provide the opportunities that we do.

The holidays are a great chance for the students to relax and unwind from the routine of school. Please encourage your child to spend some time reading, play some maths games or practice some writing. Just a little bit each day can help maintain and develop these skills.

Just a reminder that the school term finishes next Friday at 2:30pm and Term 3 starts on Monday July 13.

The Magical Forest

*By Sadie and Eleanor (Year One and Prep)
The Basin Primary School)*

Once upon a time there were three girls their names were Sadie, Eleanor and Lottie. They lived near the magical forest. One day Sadie, Eleanor and Lottie went for a walk in the magical forest. They walked to the forest to collect some daisies to make daisies chains. But the girls didn't know what kind of magic the forest did. Sometimes the forest did good things. And sometimes the forest does bad things. When the girls went to the forest to collect some daisies it was the day when the bad things happen. Today there was a tornado. And the girls got pulled away from each other. And they couldn't see each other either. And the daisies went flying. The girls walked and walked and walked and then there was a middle spot and they saw each other. They were very happy to see each other. And they went back through the forest and back to their house. The end.

STUDENT REPORTS - SEMESTER 1

We will be providing student achievement reports for Semester 1 this year as usual. The reports will be distributed next Monday June 22 via COMPASS.

The reports will continue to provide important details about student learning attainment, but full descriptive comments will not be included as a result of industrial action taken earlier this term by the Australian Education Union.

We will of course be pleased to discuss with you, your child's progress at our next Student-Parent-Teacher Conferences scheduled for Thursday June 25th or, as always, you can contact the school to arrange a meeting with your child's teacher prior to that date.

STUDENT FREE DAY – THURSDAY JUNE 25

Just a reminder that students are not required to attend school on Thursday June 25 as this is day is a Curriculum Day at The Basin Primary School.

On this day staff will be conducting Student-Parent-Teacher Conferences to reflect on your child's first semester report and set goals for the second half of the year.

ENROL NOW FOR PREP 2027

We are currently receiving high interest for our 2027 Prep enrolments and need to establish how many siblings of our enrolled students are due to start at The Basin next year. The priority of placement for new students dictates that children who reside in the designated school zone and those who are siblings of current students have the highest priority. We ask that families within The Basin PS community who have a child who is due to commence Prep in 2027 please enrol as soon as possible. This year enrolments are completed online <https://www.vic.gov.au/enrolling-foundation-prep>.

Thank you to those of you who have already completed your enrolment.

WORKING BEE

SATURDAY JULY 25 9:00 - 12:00

On Saturday July 25 we will be holding a working bee where we will be working to transform the entrance to the school from the carpark. The work will include preparing the area for planting, planting out the space as well as some other landscaping to refresh the space. It will be a fantastic transformation of this space.

Please join us on this day to assist. Many hands make light work.

Division/Regional Cross Country

On Wednesday 27th of May 19 students participated at Division Cross Country. Through hard work and determination, 8 students were lucky enough to qualify for the next round. We need to congratulate those students who took a tumble or battled sickness but showed amazing courage to either finish the race or reach this level of competition.

6 of the 8 students who made Regionals on Thursday 11th of June were able to compete as some sickness set in and they showcased a great attitude within their placings and effort levels.

Well done to Hollyblue P as she has reached STATE in Term 3.

Thank you to the parents who drove the athletes and supported them along the way.
