Last Friday it was fantastic to have so many Grandparents and Special friends in attendance for our annual Grandparents and Special friends Open Day. The students enjoyed the opportunity to share their classroom experience with their special visitors and I know from conversations with the visitors that they enjoyed the chance to 'get back to school' and spend time in the classrooms.

REMEMBRANCE DAY CEREMONY

On Sunday, members of our school community proudly participated in the Knox Schools Remembrance Day Ceremony at the Tim Neville Arboretum. Our students represented The Basin Primary School exceptionally well, and we commend them for giving up their time to be part of such an important community event. Thank you to everyone involved for your contribution and commitment.

On Wednesday, some of our Grade 6 Leaders took on the responsibility of hosting our very own school Remembrance Day Service. The students delivered a respectful and moving service, demonstrating maturity, leadership and a genuine appreciation for the significance of the occasion.

We are incredibly proud of all our students who contributed to both services and helped ensure we remembered and honoured those who have served and sacrificed for our country. Well done to everyone involved.

LAST DAY

OF THE SCHOOL YEAR

Final Assembly 1pm - 1:30pm

ARE YOU LEAVING THE BASIN IN 2026?

If any families of children currently in Prep to Year 5 are leaving The Basin in 2026 please inform the office staff as soon as possible so that this can be factored into 2027 planning. Emails can be sent to the.basin.ps@education.vic.gov.au

CLASS STRUCTURE 2027

Planning a fair and equitable class structure for 2027 is underway. Through this process we must decide on the number of classes required at each level, so we can provide an optimal learning environment for all. In 2027 we will have 23 classes.

Due to student numbers we will again have a Grade 5/6 Composite class. We have had composite classes at The Basin in the past and we know they work well here and like all classes students will be taught at their point of need.

There are several considerations we must make when planning our class structure which include:

- Government funding – All schools are funded for the number of students enrolled and we need to staff both classroom and specialist programs
- The number of students in each year level
- Class size and equity for all

Of course, the key factor in all schools will always be quality teaching, so whilst the grade structure is important, we know that it is not as important as the work our teachers do every day.

FINAL ASSEMBLY FOR THE YEAR

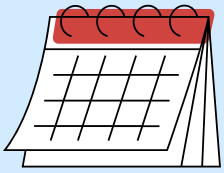

One date that our community looks forward to is the final assembly of the year because we farewell our Grade Six students for their final day of primary school after a 7-year journey. The date and time for this is Thursday December 17 commencing at 1:00pm.

MARVELLOUS MACHINES

Our hardworking PFA have been busy organising our Marvellous Machines community event on Sunday November 22. We are most excited for the event and it will be a great day for our community to come together. Please see the information in this newsletter with more details about the student stallls and also information for how people can volunteer to help out on the day.

Have a great week

STATE ATHLETICS

*Congratulations to **Archie D** on a fantastic performance at the State Athletics Championships on Thursday 29th October!*

Archie competed in three events, two track events and one field event, achieving some outstanding results:
Long Jump: 1st Place 🥇
100m Sprint: 3rd Place 🥉
200m Sprint: 5th Place

Archie, we are incredibly proud of your efforts, determination and consistency throughout all four levels of competition. What a fantastic achievement and a wonderful way to represent The Basin Primary School!

Well done, Archie!

SCHOOL SPORTS AUSTRALIA GAMES BASKETBALL

*Congradulations to **Jax Sockett** who on Monday 26th - Friday 30th October, represented Victoria in the School Sports Australia Games in Basketball. He played 8 games across the week, playing against teams from across all states, winning them all including the exciting and nail-biting Grand Final Gold Medal Match! More importantly, **Jax also recieved Best Sportsmanship Award from all basketball players in the entire competition!!!***
Well done Jax - we are so proud of you!

Hooptime - All Star Boys Regional Finals

Rhyley G, Brody B, Xavier H, Ryan P, Jax S, Brodie A, Harrison L and Billy T - put in an incredible effort and showed unwavering determination and courage. This certainly paid off as they came away with wins in 4 out of 5 games. In the qualifying final the team pulled together for a big win (39- 10) and are now on their way to the State finals! Massive thanks for Neil Houghton for his coaching and support on the day.

WHAT A MORNING

Walk to School Grandparents and Special Friends

We had a wonderful morning celebrating our school community with our Walk to School Morning and Grandparents and Special Friends Morning!

It was fantastic to see so many families, grandparents and special guests joining us for the walk and then spending time in our classrooms. Our students loved sharing their learning, activities and classroom experiences with the special people in their lives. There was plenty of conversation, laughter and special moments shared throughout the morning. Events like these are a wonderful reminder of what makes The Basin such a special community.

A big thank you to everyone who joined us, supported the morning and helped make it such a memorable occasion. We loved having you all at The Basin!

REMEMBERANCE DAY SERVICES

Remembrance Day is an opportunity to recognise the courage, sacrifice and dedication of those who have fought to protect the freedoms and way of life we enjoy. We also remember those who never returned home, the families who lost loved ones, and all those whose lives have been changed by conflict.

Our students have had the opportunity to present and participate in two spectacular tributes to mark this important occasion. Through their contributions, they have helped bring our community together in remembrance and demonstrated the importance of honouring those who have served and sacrificed.

We are incredibly proud of our students and the respect, thoughtfulness and commitment they have shown in recognising this special day.

Lest We Forget.

SWPBS DISCO

Our students have been working incredibly hard through our School Wide Positive Behaviour System (SWPBS) program, demonstrating our school values and working together to fill the pom-pom bucket and earn their reward!

The whole-school disco was a roaring success, with plenty of dancing, smiles and fantastic energy! A huge thank you to Mitch for bringing the vibes, music and energy to the room and making it such a memorable celebration.

Congratulations to all our students for their fantastic efforts in demonstrating Respect, Personal Best, Courage and Resilience at The Basin. You certainly earned this one!

OZHARVEST FEAST™
FOOD EDUCATION AND SUSTAINABILITY TRAINING

Grade 5 & 6 Integrated

This Term our Grade 5 & 6 Students have been cooking. They have been exploring the issue of food waste and its environmental impact and positive food choices. Students have loved using the knives, frying pans and lots of fresh ingredients. Washing dishes on the other hand :)

Australia has a problem, a food waste problem!

7.6 million tonnes of food is wasted every year
Costing the economy over $36.6 billion
2.5 million tonnes of food waste comes from our homes. Australian students throw away 5 million sandwiches and 3 million pieces of fruit!
Less than 5% of children eat the right amount of fruit and vegetables

We got a grant from Oz Harvest to help this program be a success. Lots of smiling faces and hopefully future chef's.

FAST VEGGIE FRITTERS

Serves (12 fritters) | Cost per serve: $0.42 | Total prep & cooking time: 30 MIN

WHY WE LOVE THIS RECIPE
Wholemeal flour has more protein and a lot more fibre than white flour varieties!

FOOD WASTE TIP
A quick and easy way to use up leftover vegetables.

INGREDIENTS

- 1½ cups wholemeal self-raising flour
- 1½ cups low fat milk
- 3 eggs
- ½ tsp. pepper & dash of salt
- 2 tsp. dried mixed herbs or spices (paprika, turmeric, coriander, chili)
- 2 cups mixed vegetables, chopped or grated (fresh or frozen)
- ½ cup low fat crumbled feta or grated tasty cheese
- ½ cup chopped fresh herbs (coriander, spring onion or parsley)
- 1 tbsp. olive oil
- To serve: Low fat Greek yoghurt or guacamole

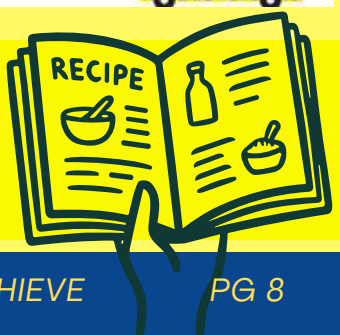

Fritter options
- peas & corn
- zucchini & feta
- sweet potato

1. Place the flour into a large mixing bowl and gradually add the milk using a whisk or wooden spoon to combine.
2. Add the eggs.
3. Add the dried herbs or spices and season with salt and pepper.
4. Mix together with a wooden spoon or whisk until well combined.
5. Add in the vegetables, cheese and fresh herbs and stir together with a wooden spoon.
6. Place a large frypan on a medium-high heat and add olive oil.
7. Add 2 tablespoons of mixture for each fritter. Repeating to make about 2-4 fritters at a time.
8. When bubbles start to form on top, flip each fritter and cook for a further 2-3 minutes.
9. Transfer cooked fritters to a warm plate and repeat steps 6-8 until the mixture is finished. Serve with low fat Greek yoghurt or guacamole.

Victorian Schools Chess Primary Open Semi Final

On Friday 30th October 6 of our Chess Club students participated in the Victorian Schools Chess Primary Open Semi-Final at Our Lady of Good Counsel School in Deepdene. The Semi-Final was an incredibly tough competition with a high standard of Chess being played across the day. With 108 competitors from 34 schools our students, ***Luke A, Jett B, Ryan G, Sam G, Jack J and Oliver T*** *did a fantastic job representing our school with* ***The Basin placing 14th*** *in the schools competition. Thanks to each of the families who provided transport to and from the tournament and supported their children throughout the day.*
