WORLD TEACHERS DAY

Tomorrow we will celebrate World Teachers Day. This years theme is Shine a Light on Teachers. At The Basin PS we are lucky to have highly dedicated educators (Teachers and Education Support staff) who continue to support the social, emotional and academic development of our students. We would like to acknowledge them and thank them for the contribution they make to our school. Our team goes above and beyond in so many ways, we cannot list them all here, but we only need to look at the past fortnight and the fortnight ahead to realise just how much goes on inside a school and how hard the team works to make it all as enjoyable for our students as possible.

I would encourage families to make an effort to write a note, send a Dojo message, make a card or drop in to your child's class and acknowledges the efforts that your child's teacher makes each and every day to provide your child/ren with such a range of educational opportunities.

LAST DAY OF THE SCHOOL YEAR

Strategic Planning for 2027

Planning for 2027 is well underway at The Basin Primary School. As with any organisation, staff movement is a natural part of workforce planning, and considerable thought is given to ensuring we have the right structures and staffing in place for the year ahead.

The same level of care goes into the placement of students into classes. Our aim is to create balanced, supportive and productive learning environments where every child has the opportunity to thrive.

Class formation is a complex process that considers a range of educational, social and wellbeing factors. Staff work collaboratively over several weeks to develop class groupings, with adjustments often required as one change can have an impact across several classes.

Current teaching teams develop prospective lists based on their knowledge of the students in relation to their academic, social/emotional and physical needs. I wish to offer parents an opportunity to provide, in writing, any special considerations in terms of any particular educational needs their child/ren may have, in line with school policy. Please be aware that we will consider all requests but make no guarantees that requests will be met. Please note that specific requests for teachers will not be considered.

Any specific requests from parents in regard to the placement of their child/ren must be in writing on the Google Doc available through the link: https://forms.gle/HaByg3hVTGHjQJ1T7 by no later than **TOMORROW** Friday October 30, 2026. It is essential to have requests in by this date to assist with planning, staffing and organisation.

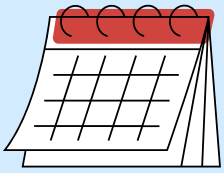

Late requests will not be considered.

Student and teacher placements will not be finalised until later in the school year.

We appreciate families' understanding and trust as we work carefully through this important process.

To further assist us in our planning for the 2027 school year it is imperative that we have as accurate a figure as possible of enrolments for 2027. If you know anyone who is intending to enrol their child at The Basin but hasn't done so already, please encourage them to do so as soon as possible. If they are unsure about the process, please direct them to call the office for assistance.

It is equally important to know if any families of children currently in Prep to Grade 5 are leaving The Basin in 2026. Please inform the office staff as soon as possible if your child/ren will not be returning so that this can be factored into 2027 planning.

FAREWELL MITCH MACAULAY

Sadly tomorrow will be Mitch Macaulay's final day at The Basin . Mitch has been a valued member of our Education Support team who has supported so many of our students throughout the school. We wish Mitch all the best for the future.

ROAD SAFETY MONTH

We're reminding the community to slow down and take care at school crossings. Our school crossing supervisors do an amazing job, but they can't do it alone. Let's all do our part to keep our kids and crossing supervisors safe.

Remember to:

- Slow down around school crossings and prepare to stop.
- Respect School Crossing Supervisors, they're trained to support your children's safety.
- Stop and wait until the school crossing is clear of all pedestrians including supervisors.
- If the school crossing flags are displayed, you must give way.
- Don't let your children get in or out of your vehicle when stopped waiting at a school crossing.
- If you see a school crossing, use it.

The rules around school crossings aren't just courtesy, they're the law.

GRANDPARENTS AND SPECIAL FRIENDS DAY

Grandparents and Special Friends Day at The Basin Primary School will take place on Friday November 6. We look forward to welcoming our grandparents and special friends for a wonderful morning of where students get to share their classroom experience with their grandparents.

On this day we will also hold our School Community Walk to School from 8:30am
Join our staff for a walk to school, leaving from one of the following locations:

The Basin Triangle
Batterham Reserve (**driveway end**)
Miller Park Reserve (**carpark**)

Limited parking is available on school grounds for those who require it.

Have a great week
Take care
David Orlandi

What a fantastic day we had celebrating our very first Prep–2 Athletics Day!

It was wonderful to see our youngest students introduced to the excitement of athletics competitions in such a positive, inclusive and supportive environment. The day was filled with smiles, enthusiasm and plenty of proud moments as students stepped out of their comfort zones, gave events a go and challenged themselves to do their personal best.

A huge thank you to Alyssa and her SEDA class for their incredible efforts in organising and running the day. Their hard work, enthusiasm and support helped make the event such a memorable experience for our students.

We loved seeing our school community come together, with families, teachers and supporters cheering on our young athletes. The encouragement from the sidelines created such a positive atmosphere and reminded us how special our school community truly is.

Our students should be incredibly proud of themselves for their participation, determination and willingness to try their best. Whether they were running, jumping, throwing or cheering on their friends, they demonstrated the importance of having a go, supporting one another and celebrating every achievement.

Overall, our first Prep–2 Athletics Day was a wonderful success! It was a fantastic introduction to athletics competitions and an opportunity to build confidence, develop sportsmanship and create lasting memories for our youngest learners.

We are excited to build on this success and look forward to many more Athletics Days in the future!

Thank you to everyone who contributed to making this special day possible. What a wonderful celebration of participation, community and giving it your best!

CELEBRATING OUR FIRST PREP – 2 ATHLETICS DAY!

Liverpool Road Retarding Basin

GRADE 4 EXCURSION

What a spectacular day we had on Tuesday 20th October for our walk to the local water catchment area. We were excited to learn more about our Intergrated Studies topic 'Clouds to Rivers'. It was terrific to see elements we have learnt about in real life; erosion, habitat, water runoff, native plants and wildlife.

Here are thoughts about our excursion from students:

Isla B - I liked walking over the bridge and seeing the erosion on the bank.

Evie - I liked walking around the lake, it was pretty. I learned that erosion had helped shape The Retarding Basin.

Lachie - We walked around and learnt about nature at the Retarding Basin. I liked learning about the habitat.

Luca H - I enjoyed walking around and learning about all of the nature. It was fun being with all of the Grade 4s.

REGIONAL ATHLETICS

On Thursday 22 October, our talented athletes represented The Basin Primary School at the Regional Athletics Championships, having progressed through both the district and division levels. It was a fantastic achievement to reach this stage, and we are incredibly proud of all our students who competed.

Our athletes demonstrated determination, resilience and sportsmanship across a range of events, including track races, high jump, long jump and relay. Congratulations to all students for their efforts and for representing our school so proudly.

A special congratulations to Archie D, who achieved outstanding results, finishing 1st in the 100m, 2nd in the 200m and 1st in the long jump at the regional competition. These results have earned Archie a place at the State Athletics Championships, which take place today, Thursday 29 October!

We wish Archie the very best of luck as he takes on this exciting next challenge. What an incredible achievement! Well done to all our regional athletes for their hard work, commitment and school spirit. You have made The Basin Primary School proud!

Chess State Finalist!

Last Week, Hannah A proudly represented The Basin Primary School at the Victorian School Girls Chess State Finals, held at Kingswood College in Box Hill. Competing against more than 100 students from across Victoria, Hannah did a fantastic job, finishing the day with one win and two draws.

We are incredibly proud of Hannah for reaching the state finals and representing our school so brilliantly. What a wonderful achievement!

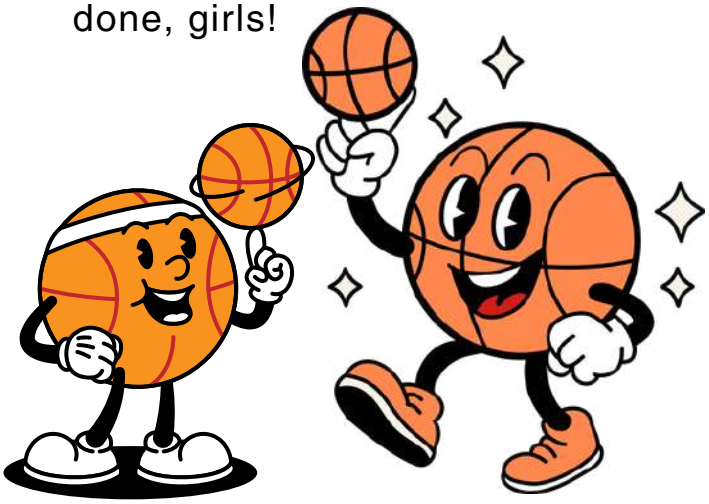

Congratulations, Hannah!

Regional Future Stars Girls HoopTime

On 16 October, our Future Stars Girls did a fabulous job representing The Basin at the Regional Finals!
Although they didn't manage to secure a win, the girls battled hard against some tough competition and continued to improve with every game. Their determination, teamwork and perseverance were fantastic to see.
We are incredibly proud of the girls for making it to the Regional Finals and representing our school so well. Well done, girls!
