Prep Marvellous Materials Exhibition

Last Friday it was fantastic to have so many Grandparents and Special friends in attendance for our annual Grandparents and Special friends Open Day. The students enjoyed the opportunity to share their classroom experience with their special visitors and I know from conversations with the visitors that they enjoyed the chance to 'get back to school' and spend time in the classrooms.

REMEMBRANCE DAY CEREMONY

On Sunday members of the school community participated in the Knox Schools Remembrance Day Ceremony at the Tim Neville Arboretum. Our students represented the school so well on the day and I commend them for giving up their time to be part of such an important ceremony. Well done to all involved.

On Tuesday we held a Remembrance Day ceremony which was led by the students. Unfortunately the weather and some works happening in the stadium meant that the ceremony was held over the PA system but we were so impressed with how the students all respectfully participated in the ceremony.

Additionally I would like to acknowledge Pippa in Grade 4 who knitted 200 poppies to be displayed on the day. Pippa has been working on this for a number of months. An amazing effort!!

PARENT CONTRIBUTIONS 2026

Today we informed the school community of the Parent Payments for 2026 via Compass. Last year as we endeavoured to keep the cost of schooling down as well as cut down on excess books we changed our book packs. Feedback was largely positive from parents and we have been able to undertake a stocktake of what resources we have remaining and adjust our orders accordingly.

In 2026 we will again order bulk supplies of all of the stationery requirements and they will be handed out to the students by the classroom teacher in 2026. By doing this we have been able to reduce the amount of supplies that we need to order and subsequently this has meant that we have been able to keep our school contributions at the same cost as 2024 and 2025.

We thank you in advance for your payments as these contributions allow us to offer a range of opportunities for our students in 2026.

ARE YOU LEAVING THE BASIN IN 2025?

If any families of children currently in Prep to Year 5 are leaving The Basin in 2025 please inform the office staff as soon as possible so that this can be factored into 2026 planning. Emails can be sent to the.basin.ps@education.vic.gov.au

CLASS STRUCTURE 2026

Planning a fair and equitable class structure for 2026 is underway. Through this process we must decide on the number of classes required at each level, so we can provide an optimal learning environment for all. In 2026 we will have 24 classes. Due to student numbers we have had to make the decision to have a Grade 5/6 Composite class. We have had composite classes at The Basin in the past and we know they work well here and like all classes students will be taught at their point of need.

There are several considerations we must make when planning our class structure which include:

- Government funding – All schools are funded for the number of students enrolled and we need to staff both classroom and specialist programs
- The number of students in each year level
- Class size and equity for all

Of course, the key factor in all schools will always be quality teaching, so whilst the grade structure is important, we know that it is not as important as the work our teachers do every day.

STAFFING FOR 2026

It is with much gratitude that we farewell the following staff members as they leave The Basin at the end of the 2025 school year.

- Sian Buddy will be moving to Upwey South Primary School
- Mitchell Smart will be moving to Tecoma Primary School
- Caitlin Laurent will be travelling next year on an overseas adventure
- Nick Jones will be moving to Dilbaddin Primary School as Assistant Principal
- Helen Clark will be moving to Boronia Heights Primary School

We thank all of our staff for their contribution to The Basin Primary School and look forward to farewelling them before the end of the school year.

In 2026 we would like to welcome Melissa Bennett Monreiro who will be our Science teacher. Melissa has over 20 years experience teaching Science across both primary and secondary schools and is excited to be part of the team here at The Basin for 2026. Additionally we welcome back Claire Saliba who has been on family leave but has been working each Wednesday through Term 4 as she prepares to return in 2026.

TIMETABLE FOR 2026

We have reviewed our daily/weekly timetable and in 2026 we will have a new timetable structure. Our specialist program subjects for 2026 will see students undertake 5 specialist subjects: Physical Education, Art, Performing Arts, Library/Auslan and Science. After consultation with the community earlier in the year Auslan was overwhelmingly selected by the school community as their preferred option for a language at The Basin. We have made the decision to run Library/Auslan as one subject so that students still have access to the library program whilst also undertaking Auslan. In 2026 the specialist sessions will be extended out to 50 minutes per week.

We are proud that we have such a broad range of specialist learning programs. This opportunity is highly valuable as it broadens the educational experience for each child. It is also an important confidence builder as it enables students to shine in an area in which they have special talents.

Our specialist programs are also complemented by lots of extra-curricular programs such as; Inter-school sport, camps, lunch time activities, extension and support programs, school productions, Wakakirri, Victorian State Schools Spectacular and so on.

Our new timetable will see the school day structured differently from how it is now. After consultation with staff and numerous other schools who have a similar timetable, we have decided that we will start the 2026 school year with the model below. We will review the timetable throughout the year to ensure that it is best meeting the various needs of students and staff and adjust if required.

9:00-9:50	9:50-10:40	10:40-11:30	11:30-11:40	11:40-12:20	12:20 – 1:10	1:10 – 2:00	2:00-2:40	2:40 – 3:30
Learning Session 1	Learning Session 2	Learning Session 3	Lunch Eating Time	Lunch Play	Learning Session 4	Learning Session 5	Recess Play	Learning Session 6

FINAL ASSEMBLY FOR THE YEAR

One date that our community looks forward to is the final assembly of the year because we farewell our Grade Six students for their final day of primary school after a 7-year journey.

The date and time for this is Thursday December 18 commencing at 1:00pm.

MARVELLOUS MACHINES

Our hardworking PFA have been busy organising our Marvellous Machines community event on Sunday November 23. We are most excited for the event and it will be a great day for our community to come together. Please see the flyer on the next page of the newsletter with more details and also information for how people can volunteer to help out on the day.

Have a great week

WHAT A DAY

Walk to School Grandparents/Special Friends Day

Friday 7th November

2025 STATE ATHLETICS CARNIVAL

On Thursday 6th of Nov Archie D, Nathaniel M, Jax S and Hollyblue P competed in the School Sport Victoria Primary Schools Athletics Carnival at Lakeside in Albert Park. To reach this elite level they had progressed through District, Division and Regional carnivals. All students performed magnificently on the day, under great pressure and can feel extremely proud of their achievements.

Results were as follows:

9/10 Boys Multi Class Long Jump - Archie D 1st 2.64m GOLD

9/10 Boys Multi Class 100m - Archie D 1st 17.88 SILVER

9/10 Boys Multi Class 200m - Archie D 3rd 39.38 BRONZE

9/10 Girls 1500m - Hollyblue P 3rd 5.20.81 BRONZE

11 Boys High Jump - Jax S 9th 139cm

12/13 Boys 800m - Nathaniel M 10th 2.28.34

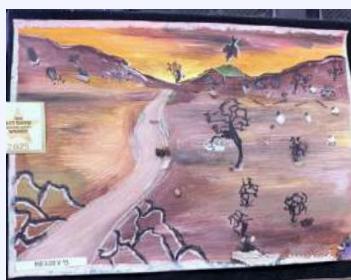

ART SHOW

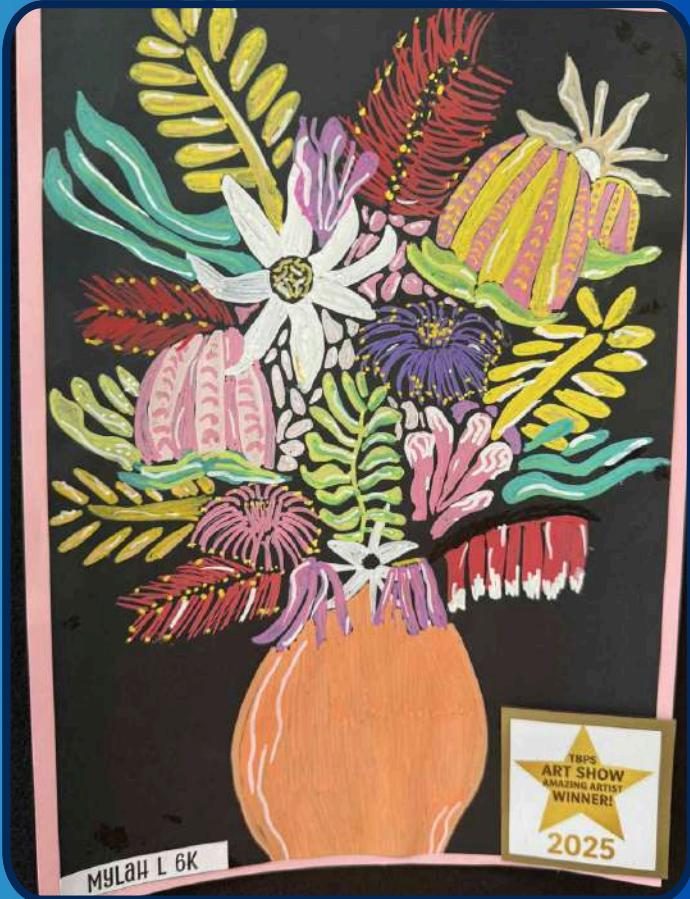

Our recent Art Show was a vibrant celebration of creativity, connection, and culture — a journey through how Australia has influenced artists throughout history. Students explored our country's rich landscapes, flora, fauna, and history, while responding to and learning more about First Nations artists and their cultural stories. Through paint, pastels, textiles, ceramics, weaving, drawing, sculpting, modelling, and collaging, each artwork reflected curiosity, imagination, and pride in our shared Australian identity.

A highlight of the evening was our Glow Barrier Reef — an immersive installation that dazzled the senses while shining a light on the importance of conservation and protecting our incredible reef and its unique creatures. Our collaborative whole-school artwork also came together beautifully, creating a lasting memory from our very first whole-school Art Show.

A heartfelt thank you to our wonderful community for your support in making this event possible, and to our talented students for their creativity, effort, and passion.

Grade One Excursion – All Aboard the Puffing Billy!

As part of our Integrated Studies topic “Technology Time Machine”, our Grade One students have been exploring how technology has changed over time — especially in the way people travel. We’ve had rich discussions in the classroom about how transportation has evolved, from horses and carriages to steam trains, cars and modern electric transport. One highlight of our learning has been discovering the story of Puffing Billy, one of Victoria’s most famous and oldest steam trains.

To bring our learning to life, we went on a very special excursion to experience this piece of history for ourselves! The excitement was high as we arrived at Belgrave Station and boarded the Puffing Billy steam train. The children were fascinated to see how the train runs on steam power, watching the clouds of smoke puff into the air and hearing the whistle echo through the Dandenong Ranges.

We travelled from Belgrave to Lakeside Station in Emerald, taking in the beautiful scenery and imagining what it might have been like to travel this way long ago. At Lakeside, we enjoyed a picnic lunch together and had a wonderful time playing on the playground before returning to school by bus.

This excursion provided a fantastic link to our classroom learning. The students were able to make real-world connections to the ideas we’ve been exploring – understanding how technology and transport have changed and appreciating the engineering and history behind the famous Puffing Billy.

It was a day full of excitement, hands-on learning, and smiles all around. A big thank you to our teachers and parent helpers for making this memorable learning experience possible!

Division Cricket

On Friday the 17 of October, the school cricket team played in the division cricket round. The boys put a lot of effort into our games with good results. In the first game against Holy Trinity and won 213-134. In the second game we played against Bayswater South and won 213-86. In our third game we played against Knox Park and won 211-137. In the grand final we played Templeton and won 248-199. The T.B.P.S cricket team is going to regionals. Thank you to Mr O and Mr Jones for coaching and the parents for driving the team.

Regional Cricket

On Friday the 7th of November, the school cricket team played in the Regional cricket round. The boys put a lot of effort into our games with some really unfortunate results. In the first game against Upwey South and lost 131 - 138. In the second game we played against Camberwell South and lost 100 - 109. In our third game we played against Serpell and lost 164 - 166.

We then reached the playoff stages, finishing 4th in our pool. The next game we won against Vermont 158 - 152. Next was the 5th place playoff and we had another close game against Serpell losing 159 - 161.

Overall we came 6th but lost our four games by a total of 20 runs! Thanks for all the parents and teachers who helped us along the way!

2025 Summer Sports Gala Day

Tennis Boys A

On Monday the 27th of October the A Boys Tennis team went to Knox Regional Netball Centre. The first game was tough and we sadly lost by 8 games. Our second game was a bye so we automatically won. In the 3rd match we played Waverly Christian College and lost by 4 games. In the 4th game we beat Lysterfield, winning 10 games out of 12. In our last game we played Boronia Heights. Sadly, we lost by 4 games finishing in 6th place. The boys played really well. We would like to thank all the teachers and parents for helping out and supporting us throughout the day.

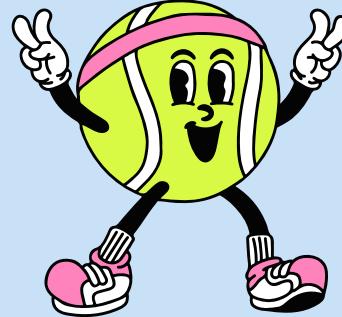

Jay C and Jack P

Tennis Girls A

On Monday the 27th of October, 18 girls all went to the Knox Regional Netball Center to play tennis. All of the girls played their hardest and gave 100% effort. The A team played Park Ridge in our first and sadly lost 3-5. The second game we had a bye, Third we lost to Waverley Christian College 0-12. For our Fourth game we won against Regency Park 7-3 and for our fifth game we won against Lysterfield 7-4. All the girls played amazing and did a really good job.

We ended up coming 5th place overall, which is a great achievement. Thank you to Mr O, Miss Corrigan, Rosie, Chelsea and all the parents that came along with us.

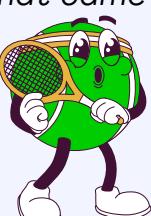

Lexie R

Tennis Boys B

For Summer Sports 2025, 4 teams from The Basin entered tennis. At the start of the day, it was freezing, but we still started anyway. For the 1st round, the B team was doing amazing, we had 6 out of 8 games won. For round 2 and 3, we had a bye because Knox Gardens couldn't play! They pulled out of the tournament. For the semi-finals, it was Basin vs Lysterfield. We won the semi finals and moved on to the grand final. The grand final was Basin vs Templeton. It was a really tough round but we persevered and we got runners up. Templeton won first place in every competition. We would like to thank the parents and teachers who helped us along the way.

Ewan C and Cameron P

Tennis Girls B

On the 27th of October, the Tennis B Girls went to Knox Netball Centre. The girls tennis team tried their very hardest and were happy with our results. At the start of the day it was pretty bad weather but we pulled it together and moved on. At the end of the day the sun was out and it was a beneficial change that uplifted our spirits in many ways. We wished Mrs Winsall was there but we are so thankful for Mr O and Miss Corrigan. We'd like to thank all the parent helpers that could cheer us on.

Harriet L and Sveta M

2025 Summer Sports Gala Day

Handball Boys

The boys did well in the first game of handball against Park Ridge, Jaxx did great and we won 10-2. Then we had a bye. The next game we had a close one against Waverly 4-4. Daniel stopped a lot of goals and Harry scored 3. Then we were in the finals. We played Regency Park. The boys tried really hard but we lost 12-7. Then we had a bye again. For our last game we played Lysterfield. It was back and forth the whole time but we lost 13-14, all of the boys did really well.

Oscar K and Jaxx H

Handball Girls

For Summer Sport 2025, the girls handball team did an amazing job and started the day strong with the first game being 9-4 as we played Park Ridge Primary School. We kept up our positive attitude as we defeated Waverley Christian College and won 10-2! The next game we were exhausted, but still tried our best and ended up winning by one with the score of 7-6, against Boronia Heights.

In our last game, we kept up our spirit and tried our hardest while playing Templeton Primary. It was our hardest competition, at the start we were losing by a bit but came back but unfortunately we lost by one point with the score of 12-13.

Overall, we came close second and we are proud of all the girls who participated in girls handball. We would like to thank Mrs Knight for being our wonderful coach, and Mr O for making this amazing day happen.

Layla T and Mikayla Co

Softball Boys

On Monday the 27th of October the Boys Softball team played 3 games. We won one and lost two of them. When we played against Park Ridge A the score was 13 to 9, we took the loss. In our second game, we beat Park Ridge B 11 to 5. In our last game we lost to Boronia Heights 15 to 8. We finished 4th overall. Thank you to Mrs Mac for coaching and the boys did amazing.

Hudson D and Parker R

Softball Girls

On the 27th of October we went to Knox softball ground at Gilbert Park. In our first game we lost 2 to 5, but all of the girls did so well. We didn't get to do our 2nd game, as it was a bye. Our 3rd game score was 7 to 3 and we won. In our last game we lost 7 to 14. We all had fun and everyone was so happy with what we got. In the end we came 6th. Thank you to all of the parents that helped and the teachers.

Sienna L and Mikayla Cl

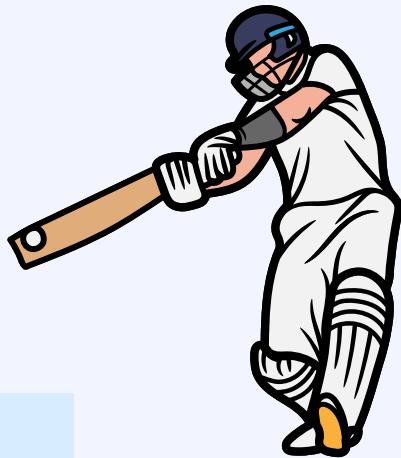

2025 Summer Sports Gala Day

Cricket Boys

On Monday the 27th of October the T.B.P.S cricket team played in the District Funday. In our first game we played Park Ridge and won 212-48. In our second game we played Waverley Christian College and won 52-202. In the grand final we played Templeton and lost 202-156. Thank you to Mr Jones for coaching and well done to all schools who participated.

Coby F

Cricket Girls

On Monday the 27th of October we went to Knox Reserve to play cricket against the local schools in the area. On the day we won two games out of three. We had a wonderful time. The weather was windy and a bit wild, but all of us had lots of fun. Overall, we ended up coming third, which pleased us. Some of the highlights from cricket were making a lollie salad and doing Fortnite dances every time we got a wicket or won a game.

Volleyball Boys

On Monday 27th of October we went to Volleyball at Park Ridge Primary School. It was really tough. Overall the boys came 5th. The 1st Game we played was against Park Ridge. It was a good game and was pretty challenging but sadly we lost. In the second game we played Waverley and lost again but the next two games we won by quite a lot finishing in 5th place overall.

Connor JD

Pupil of the Week Awards

PA - Phoenix L - for showing great creativity and effort when planning and building during Tinker Time lessons. Keep up the brilliant work Phoenix!

PM - Sadie G - For enthusiastically learning about the suffixes -s and -ed! You showed such excitement and focus as you explored how these endings can change words. It's wonderful to see you continue to grow in confidence as a reader and writer. Keep up the amazing effort!

PB - Kai B - for being such a positive role model to others in our class. Your manners are just beautiful and you always make sure that you include others in everything you do. You are just AMAZING Kai!!!!

PS - Jacob IM - For working so hard on your Reading and never giving up, even when it felt tricky. It's wonderful to see your effort and determination shine through. Well done, Superstar!

1E - Thomas M - for showing outstanding enthusiasm and participation during the excursion at Puffing Billy. Your curiosity, positive attitude and excitement made the day a highlight of your year in Grade One!

1S - Zoe Rose T - For your strong leadership qualities that shine through our group games and activities. Zoe Rose you help to guide your peers with kindness and confidence.

1T - Jacob B - For always giving your best in the classroom and showing a fantastic attitude towards your learning. Your determination and focus are something to be proud of – keep up the amazing work!

2E - Andreus G - For his amazing time telling this week on analogue and digital clocks. Andreus, it is great to see your enthusiasm for time keeping! Well done!

2S - Bohdi M - For the hard work you are putting in with your phonics lessons. Keep trying hard, you are making great progress, Bohdi!

2HM - Scarlett J - For her amazing way she is contributing to class discussions, giving suggestions and having a go. You are a superstar, keep it up Scarlett!

3W - Matilda C - for her incredible work when creating a camp map. Matilda, your attention to detail is very impressive. Fantastic effort!

3E - Jonah D - For his fantastic work on mapping this week. Your map of camp is looking great Jonah - you have included lots of detail and thought carefully about the scale of each object. Top effort mate!

3IS - Harper C - For your amazing introduction to your persuasive writing piece about why technology shouldn't be allowed on camp! Very convincing Harper!

3D - Jessica M - for the enthusiasm and focus you have shown during our location and mapping lessons this week. Keep up the amazing effort, Jessica!

4D - Toby H - for his narrative called 'The Food Rain'. Well done on remembering to use paragraphs in your writing, Toby. It was a fabulous story.

4S - Brody B - for his excellent smarties maths project. You read through each question carefully and applied your learning beautifully. You are always showing your personal best Brody, keep up the amazing work!

4H - Riley G - for his terrific improvement in his computer skills, using the mousepad and remembering where the keys are. Your accuracy and speed at typing is getting better. Well done Riley!

4L - Emily L - for showing determination in your learning and being a kind friend. Your sportsmanship is admirable and has been noticed by your peers. You should be very proud!

Pupil of the Week Awards

5C - Harvey J - For the brilliant effort you put into researching your 'Natural Disasters' project on floods. You challenged yourself to find more information once you'd answered your initial wondering. Awesome stuff, Harvey!

5M - James R - for the outstanding attitude you're applying to all tasks, especially your writing sessions! It is so wonderful to see your hard work and dedication pay off in your brilliant writing pieces! Keep it up James!

5W - Hunter K - For the clever way you tackled our "Angle Tangle" maths game this week. I loved how you challenged yourself to create and measure complex angles Hunter, keep up the awesome effort mate!

5S - Ebony S - For the fantastic initiative you have shown working on your STEAM project, you've done a great job displaying your teamwork and problem solving skills. Well done Ebony!

6J - Hayden R - for the excellent teamwork and contributions you have been making to your STEAM group, and project. You're doing an outstanding job collaborating with your group members, being supportive and completing your role. Well done, Hayden.

6H - Harriet L - for showing outstanding focus and curiosity during our STEAM sessions this week. You have made a great start gathering detailed information and working co-operatively with Allira. Well done!

6K - Cruz F - for the excellent engagement you've been showing during our Reading & Writing sessions this week. It is so wonderful to see the effort you are putting in and the work you are producing. You should be very proud. Keep it up Cruz!

6M - Grace H - For her motivation and focus to complete her Book Club text. You have demonstrated wonderful analysis and connections when reflecting on your text Grace, keep up the hard work.

Play Is The Way Awards

PREP - Archer J - For always showing courage and trying your best in everything you do. Archer, you are a kind and caring friend to all. Keep it up Superstar!

GRADE 1 - Keith M - For being the most wonderfully attentive listener. Keith, you are such a respectful young man and we are so happy to have you in our class.

GRADE 2 - Thiago G - For being a great example of all of our Play Is The Way values. You work hard in class and are a wonderful friend to everyone. Thanks for being an amazing classmate, Thiago!

GRADE 3 - Lily E - for her kindness, patience, and thoughtfulness as a class member. We truly appreciate the way you're always ready to lend a helping hand to anyone in need, Lily!

GRADE 4 - Harper R - for always being helpful, kind and constantly using all of the Play is the Way values every day. We are so incredibly lucky to have you in 4D, Harper

GRADE 5 - Abby B - for consistently displaying all of our Play Is The Way values. Thank you for always setting beautiful examples to others with your kindness, respect and brilliant attitude towards your learning. We are so lucky to know you Abs!

GRADE 6 - Mylah L - for the outstanding way you treat others with respect at all times and demonstrate maturity within the classroom. You always pursue your personal best and are always willing to give every challenge a go. A fantastic example of PITW values for those around you, Mylah!

THE BASIN OSHCLUB UPDATES

It is hard to believe that we are halfway through another term and this year is nearly over! It has continued to be a busy time for us here at OSHClub – here's what we've been up to:

National Recycling Week

This week, our service has been celebrating National Recycling Week, which has been running from 10th to the 16th of November. We are always looking for ways to ensure we are being as sustainable as possible, and recycling is such an easy way to get started.

Throughout the week, we have given our bin labels a revamp to ensure all staff and children know what can go in each bin. The children have also been enjoying the online 'Litter Critters' recycling sorting game, which we have been playing as a group at the end of our sessions. It is always rewarding to find fun new ways to educate ourselves about how we can help keep the environment clean and healthy.

ARTventure program

Throughout the past few weeks, the children have embarked on an ARTventure during our Wednesday afternoon sessions. We have been exploring different art techniques, as well as art through the lens of other domains of play like STEM and food experiences. It was great fun making DIY sidewalk chalk paint out of cornflour, water, and food dye, and using it to create some amazing paintings on the concrete path outside the OSH room. We have also done watercolour salt paintings and have made yoghurt bark art.

Foothills Community Care 'Reverse Advent Calender'

This Christmas, the Basin OSHClub is supporting Foothills Community Care, which is a non-for profit organisation that helps those in need around the Dandenong Ranges,

Knox and surrounding foothills areas. We are participating in their 'Reverse Advent Calendar,' where we collect non-perishables for 25 days of November. These items are then made into hampers and distributed to local families for Christmas. If you would like to participate, bring in any non-perishable items (e.g., pasta, coffee, Christmas pudding etc.) and place them in the basket we have in our parent sign-in area before the 25th of November!

We have already had some generous donations from families - we appreciate all your support.
