STUDENTS LAST DAY
Final Assembly 1pm

GRADE 3 CAMP

Last week our Grade 3 students had their first camp experience at Phillip Island CYC. The students all had a great time at camp and created many fantastic memories from their time away. There were many tired faces as they got off the bus but this reflected that they had filled their days with lots of action and fun with friends. The efforts of our staff and parents who attended are greatly appreciated as they worked to ensure that the students had such a positive experience on camp.

MARVELLOUS MACHINES

Despite the inclement weather that seemed to hang around for most of the morning the school was buzzing with excitement on Sunday. Our amazing PFA organised a fantastic community event combining a marvellous machinery display with market stalls and food vendors. The wet weather couldn't keep the crowds away and families that attended had a great time. My thanks to the many volunteers who gave up some time on Saturday to set up and on Sunday to man stalls, cook the BBQ and pack up at the end of the day. A special shout out to Amanda and Darren Mayer, Jason and Sarah Biddell and Shannon and Tim Whelan who have planned and organised the event for many months. We are truly grateful for all of your efforts in creating such a great event.

PARENT CONTRIBUTIONS 2026

You will notice on your Newsfeed under Course Confirmation that the 2026 Parent Payments are now available to be paid on Compass. A big thank you to those families who have already paid. Last year as we endeavoured to keep the cost of schooling down as well as cut down on excess books we changed our book packs. Feedback was largely positive from parents and we have been able to undertake a stocktake of what resources we have remaining and adjust our orders accordingly.

IMPORTANT DATES

2026 School Dates

Term 1

January 28th – April 2nd

Term 2

April 20th – June 26th

Term 3

July 13th – Sept 18th

Term 4

Oct 5th – Dec 18th

In 2026 we will again order bulk supplies of all of the stationery requirements and they will be handed out to the students by the classroom teacher in 2026. By doing this we have been able to reduce the amount of supplies that we need to order and subsequently this has meant that we have been able to keep our school contributions at the same cost as 2024 and 2025.

2026 CALENDAR DATES

Wednesday 28th Jan

Students Return to School

January 28th - 30th

2026 Prep Student Testing Days

Monday 2nd Feb

First Day for PREPS

Friday 6th Feb

SCHOOL PHOTOS DAY

2nd - 4th March

Grade 6 Camp

16th - 18th March

Grade 5 Camp

Thank you for your vital contribution to our voluntary levies. Without your contributions we would not be able to offer our extensive and diverse learning programs, purchase the excellent resources we have and improve our facilities to the level that we do.

If you have any further queries please contact the school office.

CLASS PLACEMENT FORMS FOR 2026

As we move towards the end of the 2025 school year staff have been working on the process of creating grades for the 2026 school year. Whilst this sounds like a straightforward task, creating grades is a complex process which takes much time and effort.

What factors are considered when making grades?

The objective of making classes is to ensure they are as balanced as possible. Factors that teachers and principal staff consider are learning needs, behaviour, gender, learning and social networks, social and emotional maturity, class placements in previous years, opportunity for students to broaden their friendship groups and family situations (eg. twins, cousins, siblings).

Why has my child not been placed with one of their five nominated friends?

All children are placed with at least one of their five nominated friends. While this question is often asked, when the handwritten forms of the students are checked it proves that a mistake was not made. Quite often students forget who they selected or inform their parents they have not been placed with at least one friend when in fact they have.

Why haven't my requests been approved?

All family requests are seriously considered and recorded. At times, family requests can be conflicting with another family's request, to the student's requests, or from the professional opinion of the teacher.

When I get my child's class placement, can I request that it be changed?

The class placements are considered final. Changes are not made due to the fact they cause a chain reaction and impact on the class balance. We consider the learning and wellbeing of each individual during the placement process and families must realise their child is part of a complex equation in school placements. If the school has made an obvious error, a change may be made.

All student will spend time in their 2026 class with their teacher and new classmates on Monday December 15 from 9:30am – 11:00am.

STUDENT LEADERSHIP

This year we had 21 students who were seeking to be elected School Captains. Each student prepared and presented speeches to students from Grade 4 and 5. Once the speeches were completed the students voted to elect the 2026 School Captains. Staff then were asked for input and to endorse the selections. It is our pleasure to announce that Rafferty MW, Phoenix C, Imogen D and Niamh L will be the School Captains for 2026.

Students and staff will now work through the process of appointing all of our 2026 Grade 6 students to their leadership positions in preparation for their roles next year.

END OF YEAR

The school year will finish for students on Thursday December 18 at 1:30pm. A whole school assembly will be held on the oval (weather dependant) on the final day starting at 1:00pm. We encourage all families to attend the assembly as we farewell the Grade 6 students.

Have a great week, take care
David Orlandi

From Monday the 1st until Friday the 5th of December

Each classroom will be collecting food or condiments. These need to be non perishable items and sealed like pasta and canned foods. We are collecting other items like toothbrushes, soap and toothpaste.

There will be a donation box in each class for students to bring in their items.
Madeleine and Jade - Student Voice Team

A poster for a food donation campaign. It features a cartoon illustration of two children, a boy and a girl, standing next to a table with various food items. The boy is holding a container and the girl is holding a bag. The background is pink with white hand-drawn style shapes. Text on the poster reads: "Help Support Families in Need!", "Our school is proud to support Uniting's Food For Families! We're collecting non-perishable food and essential items to support individuals and families facing hardship.", "Join us in making a difference – every donation counts!", "Visit foodforfamilies.org.au/schools", and "Scan to view shopping list of suggested items." A QR code is also present.

LIBRARY

TERM 4 LIBRARY STATS

1207 books were borrowed in Term 4 – amazing!

The top 5 borrowers for Term 4 were...

Larni H – 4S
Brock L – 3IS
Henry S – 1S
Nina T – 5M
Max W – Prep M

Congratulations to these very eager readers on such keen borrowing each week! A certificate and prize is coming your way!

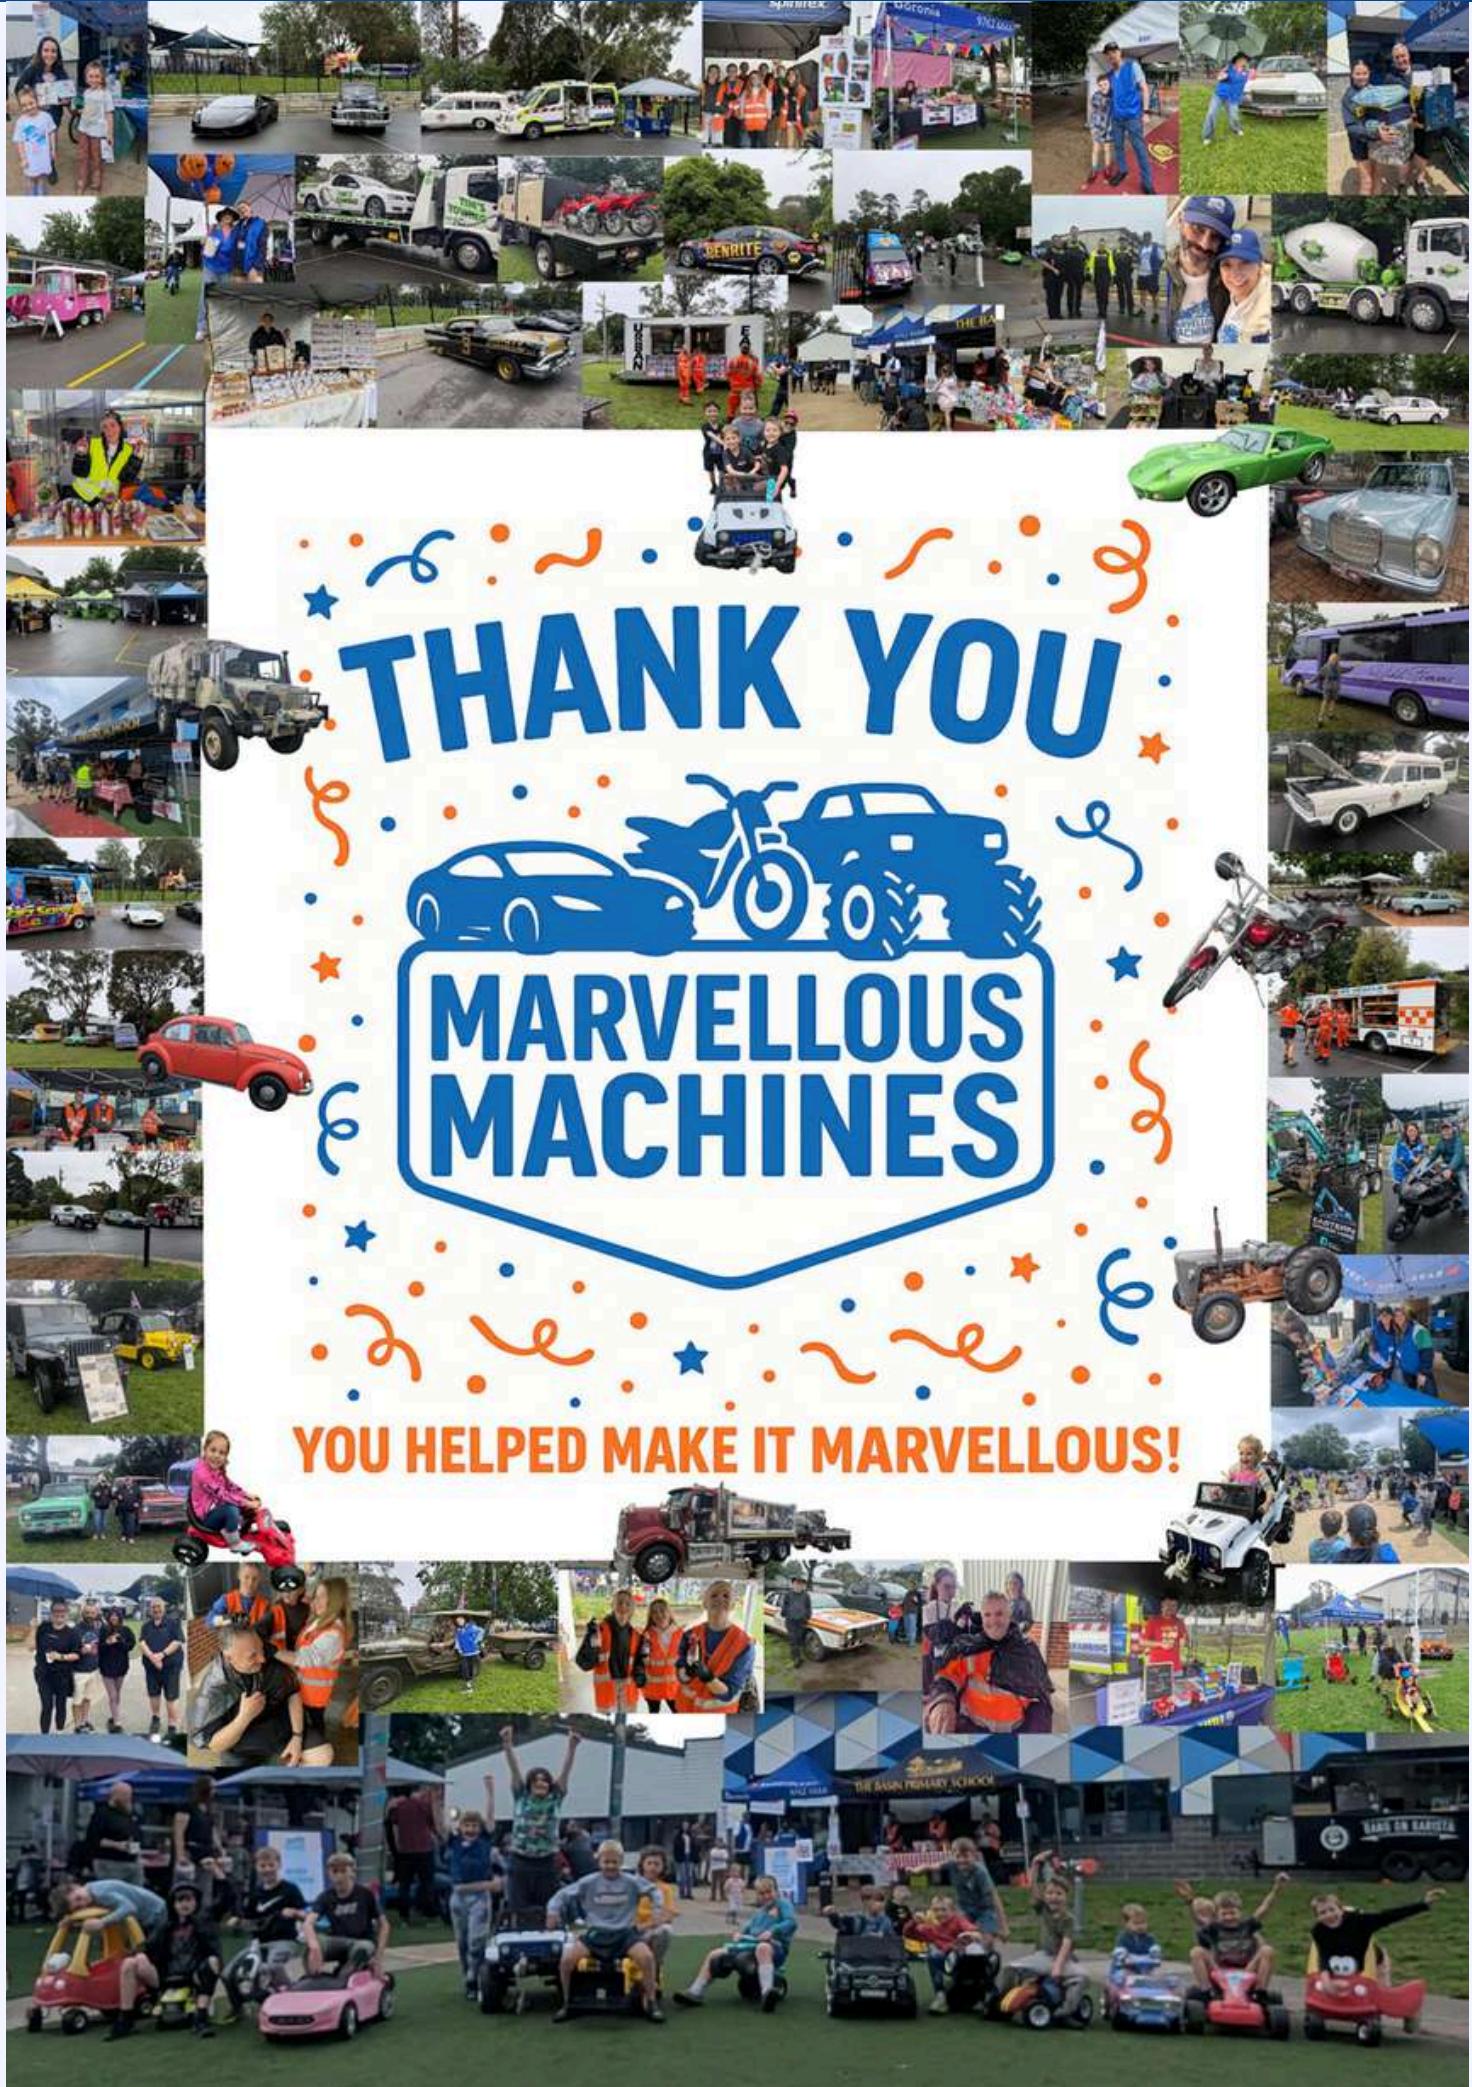

The grade that borrowed the most books was...

1S

Congratulations 1S! Your prize is a picture story book and will be delivered to you soon!

ALL BOOKS TO BE RETURNED!
This week was the last week for borrowing books from the school library. Can I please ask that all families send back library books next week so we can begin our annual stocktake.

On Sunday, November 23rd, the school's PFA team hosted Marvellous Machines, a community event showcasing all things machinery with cool cars, classic bikes, a couple of race cars, some very impressive trucks, a digger as well as the amazing volunteers from the CFA, the SES, the Ambulance Victoria Museum, and the local Police. Not to forget 'Violet Femme' our very own Mrs Krenn's beautiful purple camper bus.

Despite the weather, the community showed up in full force to hear the sirens, talk to paramedics about their historical ambulances, learn about some of the cars used by the military in prior conflicts, drool over dream cars, talk to other enthusiasts, meet an author who has written a kids book about calling triple zero, listen to the high octane engine sounds of some of our exhibitor's cars and bikes and the blast of novelty car horns.

Throughout the day, Kid's Corner was alive with laughter, the squeals of excitement and the furrowed brows of concentration with tomorrow's artists doing their best on the colouring competition. Face painting and hair spray contributed to colouring up the day and bringing smiles to everyone, especially when Mr Orlandi offered his hair for a change up.

Visitors to the school had plenty of options for food from potato twists to jam donuts and almost everything in between and of course a classic sausage sizzle ran throughout the day by our amazing parent volunteers who also helped on many of the activities and gates as well as the raffle and the prize wheel. The support of our parent volunteers really did make the day possible, thank you.

The school grounds came alive with a variety of market stalls selling all manner of local crafts from biscuits made by students, to earrings and even honey and 3D printed K-Pop Demon Hunters figurines, not to mention the latest in cooking gadgetry and a custom made bookmark commissioned just for the event and printed on site.

We were lucky to have recently elected Mayor of Knox City and proud Basin parent Councillor Paige Kennett on hand to draw the raffle where we gave away almost \$6,000 worth of prizes graciously donated by our school community and local businesses, helping add to the fundraising efforts.

Congratulations to the winners of the raffle prizes: Elly Millier, Luke Moore, Addi B, Fran, Sammy and Claire.

Congratulations to the winners of the Colouring Competition: Penny M, Xander M, Miller E, Reuben, Marlow M, Charlie H.

Thank you from the PFA to the school, our community and all of our volunteers, stall holders, food vendors, and of course our event sponsors for your support on the day helping us bring together the community and raise funds for the school.

Grade 4 Red Cross Pillowcase Workshop

On Thursday, November 20, our Grade 4 students took part in the Australian Red Cross Pillowcase Workshop, an engaging session all about being prepared for emergencies.

Students learnt what to pack in an emergency kit, explored ways to stay calm and resilient during stressful situations and practised a breathing strategy to help manage big feelings. The highlight was decorating their very own pillowcase emergency kit to take home and continue building with their families.

It was a fun, creative and meaningful incursion that helped our students feel confident, knowledgeable and ready to handle challenges.

During week 5, the Grade 6 students completed their Kids in the Kitchen mini unit by creating some delicious food. We had been investigating how everyday ingredients change when mixed, heated or frozen. Working in small groups, they researched, planned and organised ingredients for their recipes. During the process, they made predictions, observed changes, and reflected on their results - some were varied and unexpected. It was great to see the students work together and then share their creations with each other.

We cooked chocolate cake, it was yummy. I liked making and putting the ingredients in. Huddy was helpful by mixing and checking the cake in the over. I would make that again - Oscar K

I made cookie dough cake pops with chocolate on the outside. Ours was a bit crunchy in the middle but it was probably because we put it in the freezer to harden. I think we may have left it in there for too long - Zoe M

I like the cooking, my group did apple nachos with sherbet - Harish S

We did chocolate strawberries and they were good but we overcooked the chocolate - Thomas K

I liked cooking a lot, it was really fun and I definitely learned more tips on cooking. I feel more confident. It would be so much better with non melted ice cream - Emmy J

I liked cooking and I really want to cook again. I loved the clinker rumballs so much I made them again. The mixture was a bit sticky so I thought It was going to fail but it didn't. All my friends liked it - Chelsea H

Kids in the KITCHEN!

Regional 3/4 Hooptime 2025

On Friday the 14th of November, 8 grade 3/4 students travelled to Kilsyth Stadium for Regional Hoop Time.

The boys played 6 games in total which went in the following order:

Pool Games

Game 1 vs Billanook PS W 14-4

Game 2 vs Chirnside Park PS W 27-11

Game 3 vs Ringwood North PS W 30-6

Game 4 vs St Bridgids W 18-7

Game 5 vs Seville PS W 25-3

Grand Final (Progression Game)

Game 6 vs Billanook PS W 17-11

The students represented the school in an exceptional way and we thank the teachers and the parents who coached and scored our games.

Congratulations to you all and we wish you all the best at the State Centre on Monday 1st of December.

GO THE BASIN!

Regional 5/6 Hooptime 2025

On the 17th of October the Future Stars Girls went to Kilsyth Basketball Center to compete in the Regional Hooptime finals. In our team is Zoe M, Tayla M, Layla T, Lexi D, Grace H, Addi C, Leni E and Mia C.

Throughout the day all the girls tried their very hardest and showed great sportsmanship.

We came out strong at the start of the day. But our biggest competitors were the Hampton Horses who beat us in the first final. But we didn't let that stop us as we still tried our hardest. We were able to come away with a win against Victoria Road PS in the second final. We're very excited to have the opportunity to go to state which is in December.

We would like to say a big thank you to Mrs Knight, Mr O and all the parents who came to cheer us on.

Thanks and well done to all the girls who competed. Go Wildcats

By Lexi D 6K, Leni E 5S & Mia C 5W

Grade 3 CAMP

Our Grade 3's headed off to CYC The Island at Phillip Island for their first ever school camp. There was lots of excitement and nerves as they jumped on the bus. After a short stop at San Remo, we arrived ready to start the first round of activities and finished off the afternoon with a swim in the pool.

We headed off after dinner to the Penguin Parade, where the students braved the rain to see the many cute little penguins make their way up the beach. Day two saw us brave the beach for some sand sculpting and then it was back to camp for an afternoon full of activities including the giant swing, flying fox and pedal carts. Before we knew it the final day had arrived and after packing up our cabins, we were back on the bus. We had a lunch stop at the beautiful Churchill Island and headed back to school. It was a wonderful camp with students coming together as a level and proving that they can do hard things!

PUPIL OF THE WEEK

PA - Oakley D - Your outstanding effort and determination in your learning. You tried your absolute hardest during our writing session and produced an excellent piece on character traits for your original character Hot Dig Man.

PM - Max K - For being a creative and enthusiastic writer who always tries your best during our Writing Workshops. Keep up the brilliant effort Max!

PB - Nash O - For consistently working hard and supporting your classmates. This was sensational throughout 'Tinker Time' this week, as you worked so hard on your project and supported your peers with theirs. Well done, Nash!

PS - Ava M - For always showing respect and kindness. Ava, you make thoughtful choices and show such care for your classmates. Well done, superstar!

1E - Easton M - For showing respect and kindness. You treats others with care and make sure everyone feels included. Your positive attitude brightens our classroom, Easton!

1S - Baylee V - for not only being a dedicated learner but also a fantastic classmate, willing to lend a helping hand and support others. Baylee, your positive attitude and exemplary behaviour make you a valued member of our class.

1T - Finn H - For being a kind and courageous classmate who looks out for others. You make thoughtful choices and do what's right, even when it's not easy. We're very lucky to have you in 1T, Finn!

2E - Indie H - For the wonderful effort you put into making your minibeast booklet. Indie, you had great facts about stick insects and presented them beautifully with lovely illustrations. Well done!

2S - Amber T - For all the amazing progress you have made this year, with your clever Reading and Writing skills. We are all so proud of you, Amber!

2HM - Jack J - For your enthusiastic way you were completing your time activity, working well with your partner and pushing yourself to complete the most challenging questions. Keep it up Jack!!

3W - Paige B - for the wonderful attitude she brought to Grade 3 Camp. Paige, it was amazing to see you step into so many new experiences and give everything a go. Well done!

3E - Quinn T - For her amazing, detailed camp reflection. Your writing really showed how much you enjoyed camp Quinn and your presentation was outstanding - top work!

3IS - River L - For showing amazing enthusiasm at camp, participating in all the activities with the biggest smile on your face! It was awesome to see you shine so brightly and have so much fun, River!

3D - Liam M for the focus and stamina you demonstrated when working on your Phillip Island camp reflection writing this week, Liam. Keep up the amazing effort!

4D - Mattias M - for his outstanding work clarifying unfamiliar words during our reading comprehension lesson this week. Excellent work, Mattias!

4S - Josh W - for being empathetic towards others and making the effort to see things from another person's perspective. Josh, you have grown so much this year, and I am incredibly proud of you. Keep being kind.

4H - Kaylee Y - for her terrific mapping skills. You are confident using co-ordinates and directional language. Impressive work Kaylee!

4L - Mala B - For always trying your best, being kind to others and demonstrating respect. Your peers are proud of your contributions and we all notice the wonderful things you do. Well done Mala!

5C - Micah D - For the fantastic effort and teamwork you've shown while working on your STEAM build. You've shown some wonderful creative thinking. Awesome job, Micah!

5M - Bodhi W - For working super hard in our STEAM sessions, especially with your ICT component. Your effort, focus, and determination towards it really stand out. Great job and keep it up!

5W - Mikayla C - for the wonderful effort you have been putting into your work on angles. Your accurate estimations and clever measurements show that you have been working very hard. Well done Mikayla!

5S - All of 5S – For the amazing job you have done on your STEAM projects over the last few weeks! You have all been working really hard and should be very proud of all your efforts! Well done 5S!

6J - Tamyika J - for the resilience she has shown in progressing through difficulties. It's fantastic to see you with such a positive attitude at school! Well done, Tamyika.

6H - Zoe R – for showing excellent understanding and strong mathematical reasoning when identifying the rule for our growing patterns this week in Maths. Well done Zo!

6K - Harish S - For demonstrating a wonderful work ethic in the classroom. You have been very focused during our STEAM sessions and should be very proud of your efforts. Great job Harish!

6M - Jack P - For the wonderful mathematical reasoning and creative thinking you've shown while working on algebra concepts. Keep believing in yourself and pushing to try new challenges Jack.

PLAY IS THE WAY

PREP - Hannah J - For always showing kindness and friendship to others while learning and playing together. Keep up the wonderful effort Hannah!

GRADE 1 - Amy D - For putting in her very best effort into everything you do. She approaches every challenge with heart and determination. Her willingness to help others makes a meaningful difference every day. You have been a delight to have in 1E, Amy.

GRADE 2 - Moana S-T - For always showing kindness to your friends. Moana, you are helpful to others and always willing to include everyone. What a lovely friend you are!

GRADE 3 - Mason C - for the wonderful engagement and participation he shows in all aspects of school. Mason, we love your willingness to step into every experience, taking it in your stride and building on your learning. It's amazing to see!

GRADE 4 - Aubrey B - for approaching situations in such a mature and understanding way. You show empathy towards others, always trying to see things from the other person's perspective and communicating your thoughts and opinions respectfully. You are amazing!

GRADE 5 - Sienna L – consistently putting in her best effort, approaching every task with determination, and demonstrates outstanding persistence, even when faced with challenges. Your positive attitude, resilience, and strong work ethic make you a role model for our class!

GRADE 6 - Zara C - For the way you model the Play Is the Way Life Rafts, showing courage, kindness, and consistently making positive choices that set a wonderful example for others.

LAST WEEKS AWARD WINNERS

THE BASIN OSHCLUB UPDATES

As we approach the final few weeks of the school year, there is lots of things to do, and plenty to look forward to! Here is what we've been up to, and what we've got coming up for us at OSHClub:

World Children's Day

On Thursday, the 20th of November, we celebrated 'World Children's Day' during our afternoon session. Days like this are focused on ensuring children feel empowered to know and stand up for their rights, according to the United Nation's 'Rights of the Child,' as well as encourage them to share their hopes for the future. The children recorded their perspectives on handprints and postcards that we have displayed in the OSH room to act as a constant reminder of their dreams for the future.

'Festive Fun' Christmas Programming

As December is fast approaching, and Christmas is less than a month away, we have been getting into the Christmas spirit throughout the last week. On Monday, the children decorated our OSH Christmas tree in preparation for our 'Festive Fun' spotlight program that we are running throughout December. Every day, we will be running a festive-themed activity in the lead up to the last day of school. The activities will involve all the domains of play, including cooking, STEM, art, and sports. It is hard to believe it is almost the end of the year, but we are very much looking forward to fully embracing the Holiday season!

Foothills Community Care 'Reverse Advent Calendar'

Throughout November, the Basin OSHClub has been supporting Foothills Community Care, which is a non-for-profit organisation that helps those in need around the Dandenong Ranges, Knox and surrounding foothills areas. We are participating in their 'Reverse Advent Calendar,' where we have been collecting non-perishables through the month of November. We are very grateful to all the wonderful families who have donated, as these items are soon to be delivered, so they can be made into hampers and distributed to local families for Christmas.

There is still a bit of time to donate, as we have extended our collection to the 10th of December. If you would like to participate, bring in any non-perishable items (e.g., pasta, coffee, Christmas pudding etc.) and place them in the basket we have in our parent sign-in area. We appreciate any support!
