## Curriculum Framework Policy

### POLICY STATEMENT

Curriculum covers all the arrangements the school makes for students' development and learning. It includes the course content, student activities, teaching approaches, the way in which teachers and classes are organised and decisions on the need for and the use of facilities and resources.

Our school encourages its students to strive for excellence in all of their endeavours. To achieve this, the school provides sequential teaching and learning programs that deliver a comprehensive, broadly based and inclusive curriculum.

Each year the school will map out its curriculum offerings. It will be in the form of a Curriculum Plan (**see Appendix A**).

### GUIDELINES

- Our school will comply with all DEECD guidelines about the length of student instruction time required in Victorian schools.
- There will be a broad offering of programs to meet the demands of students. Victorian Curriculum will be implemented from Foundation to Grade 6 at our school.
- The Department of Education and Early Childhood Development places a high priority on the teaching of Physical and Sport Education, LOTE. Our school also places a high priority on the teaching of these learning areas.

### PROGRAM

- Our school will provide a variety of programs that will address the specific needs of students in relation to gender, special learning needs, disabilities and impairments, giftedness and students from language backgrounds other than English.
- Our school will identify and cater for the different needs of particular cohorts of students when developing its curriculum plan.
- Our school when developing its Curriculum Plan will provide 25 hours student instruction per week.
- The Curriculum Committee will determine the curriculum program for the following year, based on student demand and the needs of the school's Curriculum Plan to maintain balance and a broad provision of subject choices.
- Input will be sought from the relevant staff in the curriculum area when determining programs for the following school year.
- The Victorian Curriculum will be used as a framework for curriculum development and delivery at years F to 6 in accordance with DEECD policy and guidelines.
- Every year our school will do an audit of the year F to 6 curriculum. This process will enable professional learning teams to audit the curriculum of a particular program to see which domains, dimensions and standards of the Victorian Curriculum are currently being addressed. This audit will inform future curriculum planning.
- To facilitate this implementation, course handbooks, assessment criteria and record keeping proformas will be produced that reflect the Victorian Curriculum.
